Everyone introduced themselves.

I. PUBLIC PRESENTATIONS

This portion of the meeting is reserved for persons wishing to address the TTC/PAC on items within its jurisdiction but not on this agenda. **Note: Prior to action by the TTC/PAC on any item on this agenda, the public may comment on that item. Unscheduled comments may be limited to 3 minutes.**

There were no public presentations.

Member Agencies: The cities of Clovis, Coalinga, Firebaugh, Fowler, Fresno, Huron, Kerman, Kingsburg, Mendota, Orange Cove, Parlier, Reedley, San Joaquin, Sanger, Selma & Fresno County

Request for Urgency Item: requires 2/3 majority vote declaring urgency and 2/3 vote to add the item to the agenda. REQUESTS TO ADD TWO URGENCY ITEMS TO THE AGENDA

- 1) Requires Determination that the item is urgent and cannot be dealt with at a later meeting. (2/3 vote - item came to attention after posting of agenda and within 72 hours of meeting)
- 2) Requires a 2/3 vote to add the item to the agenda for action.

ITEM 1

2007-08 Transportation Funding Claim – City of Coalinga – Resolution 2007-30

Requested by: Les Beshears, Fresno COG

Urgency Status: Claim was received after TTC/PAC meeting package was mailed.

Issue: 2007/08 Transportation Development Act Claim. The amount claimed for Local Transportation Funds (LTF) and State Transit Assistance (STA) funds are:

Jurisdiction:	LTF Fund:	STA Fund:	Total Funds:
City of Coalinga	587,024	268,090	855,114

Recommendation: Staff has reviewed the claim and finds the amounts consistent with apportionments previously approved by the Board. Due to the fact that there are no regular committee meetings scheduled in August, staff recommends approval of the funding claim by adopting Resolution 2007-30.

ITEM 2

2007-08 Transportation Funding Claim – City of Firebaugh – Resolution 2007-31

Requested by: Les Beshears, Fresno COG

Urgency Status: Claim was received after TTC/PAC meeting package was mailed.

Issue: 2007/08 Transportation Development Act Claim. The amount claimed for Local Transportation Funds (LTF) and State Transit Assistance (STA) funds are:

Jurisdiction:	LTF Fund:	STA Fund:	Total Funds:
City of Firebaugh	217,205	69,418	286,623

Recommendation: Staff has reviewed the claim and finds the amounts consistent with apportionments previously approved by the Board. Due to the fact that there are no regular committee meetings scheduled in August, staff recommends approval of the funding claim by adopting Resolution 2007-31.

ITEM 3

2007-08 Transportation Funding Claim – City of Reedley– Resolution 2007-32

Requested by: Les Beshears, Fresno COG

Urgency Status: Claim was received after TTC/PAC meeting package was mailed.

Issue: 2007/08 Transportation Development Act Claim. The amount claimed for Local Transportation Funds (LTF) and State Transit Assistance (STA) funds are:

Jurisdiction:	LTF Fund:	STA Fund:	Total Funds:
City of Reedley	809,600	258,289	1,067,889

A motion was made by Bruce Rudd (City of Fresno) and seconded by Alan Bengyel (Huron) to declare the item an urgency item and add the items to the agenda as Item II. B. 3-5 a vote was called for and the motion carried.

I. CONSENT ITEMS

All items on the consent agenda are considered to be routine and non-controversial by COG staff and will be approved by one motion if no member of the Committee or public wishes to comment or ask questions. If comment or discussion is desired by anyone, the item will be removed from the consent agenda and will be considered in the listed sequence with an opportunity for any member of the public to address the Committee concerning the item before action is taken. **Additional action or guidance may occur on any item, even if noted as information.**

- A. TTC Executive Minutes of June 6, 2007 Approve
PAC Executive Minutes of June 15, 2007 Approve
- B. 2006-07 Transportation Funding Claims Approve
 - 1. City of Kingsburg, Resolution 2007-28
 - 2. City of San Joaquin, Resolution 2007-29

URGENCY ITEMS

- 3. **City of Coalinga, Resolution 2007-30**
- 4. **City of Firebaugh, Resolution 2007-31**
- 5. **City of Reedley, Resolution 2007-32**
- C. Administrative Amendment No. 8 to the 2007 Federal Transportation Improvement Program Approve
- D. Monthly Legislative Update Information
- E. Farmland Conservation Model Program Update Information
- F. Abandoned Vehicle Abatement Third Quarter Progress Report Accept
- G. Status Report on Sacramento Lobbying Activities—Steve Samuelian, California Consulting LLC at the Board on 7-19-07 Information
- H. Air District Eight-Hour Ozone Plan – Letter to the Governor Information
- I. FCRTA Items
 - 1. Award Procurement of Four (4) Buses for Mendota Prison Employee Transit Service, Resolution 2007-09. Accept
 - 2. FCRTA's Transit Services in Support of the Fresno County Heat Emergency Contingency Plan. Approve
- J. Regional Clearinghouse Information

Project	Applicant
1. USDA Rural Development Grant – Rural Housing Preservation Grants	Self-Help Enterprises
2. USDA Rural Development Grant – Rural Housing Preservation Grants	Fresno County
3. FY 2007/08 Federal Planning Funds. FHWA PL Funds	State of California
4. FY 2007/08 U.S.C., Chapter 53, Section 5303 and 5305 Programs	State of California
5. FY 2007/08 State Planning and Research Studies	State of California

For a complete summary of these items please see the July 13, 2007 Annotated Agenda.

Staff requested that item H be pulled for further discussion.

A motion was made by Don Pauley (Kingsburg) and seconded by Ron Manfredi (Kerman) to approve the consent items as presented with the exception of item H. A vote was called for and the motion carried. This motion included the urgency items as previously added to the agenda.

Item H. Air District Eight-Hour Ozone Plan – Letter to the Governor Draft Letter

Jason Paukovits (COG) reported on this item. At the June 28, 2007 Policy Board Meeting, the County of Fresno requested an urgency item related to the San Joaquin Valley Air District's Eight-Hour Ozone Plan. The California Air Resources Board (CARB) recently approved the eight-hour ozone plan for the Valley.

As part of this plan, the Air District is requesting an "extreme" classification, which would delay the attainment deadline from 2013 until 2024. Attainment of the standard by 2013 requires over a 75% reduction in nitrogen oxide (NOx) emissions, which is not achievable with current technology. Also included in the ozone plan are updated motor vehicle budgets. EPA needs to make an adequacy finding on these updated vehicle budgets; otherwise, San Joaquin Valley Metropolitan Planning Organizations (MPOs) cannot add new transportation projects or make changes to existing projects (a transportation "lockdown"). The Policy Board agreed to send a letter to support timely submission of all necessary components of the plan, as well as to address concerns over the possibility of revisiting the issue of the attainment deadline. Included in the package was a draft copy of the letter.

This was an information/discussion item and required no further action from the Committee.

III. ACTION / DISCUSSION ITEMS

A. Measure "C"

1. Measure C Update Activities

Tony Boren, Deputy Director provided an update on Measure "C" progress at the Committee meetings. Mr. Boren explained that Fresno COG is in the process of putting together the Implementation Plan for Measure "C" and a number of sub-committees meetings are taking place. A contract with Georgiena Vivian (VRPA) was approved last month to help with the development of the Implementation Plan. Staff has been meeting with all the project sponsors for the regional and the regional transportation projects to get an indication for when they will need the dollars and the phasing and schedules for these projects. There will be a meeting in mid August to get everyone together to talk about the schedules and the cash flow associated with these projects. There have been meetings with the New Technology Reserve Committee and progress has been made.

The first meeting with the Citizens Oversight Committee was held on July 11th and it went well. Cynthia Matson was voted Chairperson and Shawn Carlson was voted Vice-Chair. Scheduling for the upcoming year and excused absence verses unexcused absence were some of the topics talked about at the meeting. The next meeting is scheduled for September 13th.

This was an information/discussion item and required no further action from the Committees.

2. 1987-2007 Measure "C" Expenditure Plan, Sixth Edition

Les Beshears (COG) gave an update on this item. The sixth update to the 1987-2007 Measure "C" Expenditure plan projects the Measure has accumulated \$738.7 million in locally generated sales tax during its twenty year life. \$184.7 million of the sales tax has or will be returned to local agencies for Local Transportation Purposes. Another \$24.95 million has or will be used to administer the agency and environmentally clear and administer the projects in the highway building program. The remaining \$529.15 million has or will be accrued to the Urban and Rural Capital Projects fund, allowing the region to leverage an additional \$587.97 million in state and federal grants and \$65.33 million in interest and other local revenues to deliver \$1,182.45 billion in highway projects to the urban and rural areas of Fresno County.

Focusing on the Urban and Rural Capital Projects fund, there are two urban projects and four rural projects remaining in the plan.

For the Urban program, SR 180 (Brawley to Hughes) began construction in April 2007 and is expected to be completed in December 2008 at a cost of \$70.16 million. Staff will be approaching the California Transportation Commission in July to receive a \$60.56 million STIP allocation for SR 180 (Clovis to Temperance), which along with an additional \$11.5 million in Measure money, will allow the project to begin construction in the fall of 2007 for completion in 2009 at a cost of \$100.77 million.

In the Rural program, the Academy project segment from SR 180 to SR 168, is expected to be complete in 2007/08 at a cost of \$18.15 million and the segment from Mountain View to SR 180 is anticipated to be complete in 2008/09 at a cost of \$42.15 million. \$25.50 million STIP funding for SR 180 (Temperance to Academy) will not be available until 2008/09 and \$33.83 million in Measure money is reserved to complete this project at an estimated cost of \$89 million. A Federal Demonstration Earmark enabled a \$20.97 million project, SR 180 I-5 Connection, to be brought forward from the candidate list and added to the rural plan. The project includes a \$1-4 million improvement in Mendota, a \$2 million improvement in Firebaugh, and reserves \$14-17 million for the I-5 Connection pending the completion of a \$1.5 million study by Caltrans to identify the corridor. STIP funding for SR 180 out past Academy to Frankwood will not be available within the planning window of the original Measure, therefore, those segments are deferred to the Measure "C" Extension Program. The design and environmental clearing of the SR 180 West Passing Lanes will likewise not be complete within the planning window of the original Measure and are also deferred to the Measure "C" Extension Program.

A motion was made by Don Pauley (Kingsburg) and seconded by Ron Manfredi (Kerman) to initiate the 45 day review process for the Sixth Edition of the 1987-2007 Measure "C" Expenditure Plan. Adoption is scheduled for September and then it will be transmitted to the Fresno County Transportation Authority for their action. A vote was called for and the motion carried.

3. Public Hearing: July 19, 2007: 2007-2027 Measure C Expenditure Implementation Plan, Part 1 - Local Agency Pass-Through Fund Handbook

Tony Boren, Deputy Director gave a report on this item. The Final Draft Local Agency Handbook for Measure C was included in the agenda packet. All comments received to date have been included in the document.

With regards to the Policy Board adoption of the Handbook, the 45-day review was initiated by the TTC at their June 6, 2007 meeting. Because the COG revised its meeting schedule in July out of courtesy for our members (the Board meeting is on 7-19-07 due to the annual League of Cities Meeting during the week of their regular Board meeting) the review period falls one day short of the 45 days. The 45 day review process was established expressly for member agency review and comment. In order to allow our member agencies the full 45 day review and comment period identified in our Joint Powers Agreement, staff will take member agency comments on the draft document up until July 20, 2007, with the formal adoption date being on that date. However, member comments are strongly encouraged to be submitted prior to the 19th so that they can be addressed. If members comment subsequent to the public hearing, and the comment is significant, the adoption date could be delayed as a result, adding at least a month to the entire process and affecting when Measure funds will be available to members.

All public comments are due by the July 19th Public Hearing. Utilizing this approach allows COG to meet the deadline for the adoption of the Handbook while still preserving the member agency 45 day review and comment period called for in the JPA.

A motion was made by Don Pauley (Kingsburg) and seconded by Alan Bengyel (Huron) to recommend approval of the adoption of the 2007-2027 Measure C Expenditure Implementation Plan, Part 1 - Local Agency Pass-Through Fund Handbook pending any additional comments. A vote was called for and the motion carried.

4. Measure "C" Regional Transportation Mitigation Fee Program Consultant Selection Process

Tony Boren, Deputy Director reported on this item. One of the components of the Measure "C" Regional Transportation Program adopted by Fresno County voters in November 2006 involves development and adoption of a Regional Transportation Mitigation Fee Program by all COG member agencies by January 1, 2009. In order to expedite this process, the process for recruiting a consulting firm to conduct the study is underway and Request for Qualification materials have been received from the following firms:

1. Parsons, Brinckerhoff, Quade & Douglas Inc.
1. Omni-Means Engineers & Planners
2. Fehr & Peers Transportation Consultants
3. Associated Transportation Engineers

Based on a review of the Qualification packet materials submitted, each of the four firms is qualified to conduct the Regional Mitigation Fee Program study and therefore will be asked to submit formal proposals to conduct the study. Usually after a selection committee reviews the proposals and conducts the interviews, they select a preferred consultant and forward their recommendation on to the TTC, PAC and Policy Board. However the timelines associated with this project are very tight. COG staff requests the TTC/PAC support a recommendation to allow the selection committee's recommendation go directly to the Policy Board (July 19, 2007). The selection committee was composed of the following TTC/PAC members:

Ron Manfredi (Kerman)	Don Pauley (Kingsburg)
Scott Mosier (Fresno)	John Wright (Clovis)
Stan Nakagawa (County)	Sharri Ehlert (Caltrans)
Barbara Goodwin (COG)	Tony Boren (COG)

A motion was made by Alan Bengyel (Huron) and seconded by John Donaldson (LWV) to recommend TTC and PAC authorize the selection committee to directly submit their preferred consultant recommendation to the Policy Board. The Policy Board will be asked to authorize the Executive Director to enter into a contract with the firm ultimately selected by the Policy Board. A vote was called for and the motion carried.

B. Triennial Performance Audits

Les Beshears, (COG) reported on this item. Pacific Mutual Consultants has completed Triennial Performance audits on the Council of Fresno County Governments and the four Transit Operators in Fresno County per Section 99246 of the PUC.

Council of Fresno County Governments – The performance audit found the agency conducts its management of the TDA program in a competent, professional manner while operating in a complex intergovernmental environment, has satisfactorily complied with all state legislative mandates for Regional Transportation Planning Agencies, and increased its visibility with the community, stakeholders and partner agencies through its efforts with the One Voice advocacy program and the passage of the “Measure “C” extension.

Three recommendations are given:

1. Consider modifying the annual TDA claim form to include a standard assurances list for the transit operators
2. Consider developing a simplified comprehensive guide of transportation funding sources for inclusion in the orientation package for new Board members
3. Develop step-by-step desk procedures that document “how to” administer or implement various COG programs. (This is already under development with a “Policies and Procedures” Manual)

Fresno Area Express – The audit found that FAX has complied with all TDA compliance requirements and gives three recommendations:

1. Report Paratransit contract employees in the State Controller Report.
2. Perform “final” review of State Controller’s Report for consistency with the Transit Productivity Evaluation Report.
3. Continue to develop marketing tools to recruit bus mechanics.

Clovis Transit – The audit found that Clovis Transit had met all TDA compliance requirements with the exception of a late submittal of the State Controllers Report in FY 2005, and gives three recommendations:

1. Perform “final” review of State Controllers Report for consistency and accuracy.
2. Develop and document a standardized complaint handling process.
3. Expand the mobility training program as resources allow.

Fresno County Rural Transit Agency – The audit found that FCRTA has complied with all TDA compliance requirements and gives two recommendations:

1. Consider steps of succession planning.
2. Review the effectiveness of marketing expenditures.

Fresno Economic Opportunities Commission – The audit found the FCEOC has complied with all applicable TDA compliance requirements and gives one recommendation:

4. Continue to work closely with Fresno COG and Partner Agencies on the Coordinated Public Transit-Human Services Transportation Plan.

A motion was made by Don Pauley (Kingsburg) and seconded by John Wright (Clovis) to recommend acceptance of the Triennial Performance audits provided by Pacific Mutual Consultants. A vote was called for and the motion carried.

C. High Speed Rail Update

Clark Thompson (COG) gave an update on this item. As of this writing, the Fiscal Year 2007-08 State budget has not been adopted so it is unknown how much funding will be available to continue the work of the High-Speed Rail Authority. The most recent information from COG’s lobbying firm, California-Consulting, is that the Joint Assembly and Senate Budget Conference Committee approved on July 2 a \$55 million budget augmentation for the Authority. However, Governor Schwarzenegger has proposed only \$1.2 million in funding for the Authority. The Authority had requested \$103 million, enough to allow it to continue detailed environmental and engineering design work and begin purchasing land.

A \$9.95 billion bond, already twice postponed, is scheduled for the November 2008 election. While the Governor has expressed his support for high-speed rail, he wants the bond postponed yet again until the Authority secures funding commitments from private investors and the federal government to fund the rest of the estimated \$40 billion construction cost.

While the future of high-speed rail in California is unclear, the work of the Authority nevertheless continues. The Authority's staff recently provided a preview to the Authority Board of the environmental studies on the Altamont Pass and Pacheco Pass competing approaches to the Bay Area from the Central Valley. Several public hearings will be held during the public review period of the Draft Bay Area to Central Valley EIR/EIS, including one in Merced in either late August or early September. COG staff will announce the specific date, time, and place when that information becomes available.

Also, of more direct impact to Fresno County, the Authority has issued a Progress Report on Visalia-Tulare-Hanford Station Feasibility Study (enclosed), which identifies potential sites and alignments for a high-speed train station in that area. The Authority will use this information to determine if any of the alternatives should be taken forward into the project-level EIR/EIS process for study along with the current preferred alternative.

This was an information/discussion item and required no further action from the Committee.

D. Blueprint Update, Resolution 2007-27

Barbara Steck (COG) gave an update on this item. Two activities are currently taking place in Phase 2 of the Blueprint. Local agency planners are working to develop goals, objectives and policies that will reflect the values and vision that evolved from Phase 1 of the outreach process. Concurrently, we are preparing to model several development options that will provide a basis for defining the alternative growth scenarios that we will analyze in the process of selecting "preferred growth scenario".

In addition to these activities, two San Joaquin Valley Partnership seed grants have been awarded within Fresno County - one to Fresno COG to study Ag land preservation and one to the City of Fresno to study the feasibility of the "Metro Rural Loop" concept. Both of these studies will be considered, along with other input, during the development of alternative growth scenarios for the Blueprint planning process. In order to clarify all of these relationships, we have prepared a resolution for the Policy Board to consider that supports the analysis of several alternative growth scenarios as part of the California Regional Blueprint Planning Program. Ultimately, the Preferred Growth Scenario that is selected will facilitate the vision for improved quality of life within Fresno County and the San Joaquin Valley. It will address future growth through the integration of transportation, housing, land use, environmental resources, other infrastructure and services.

A motion was made by Dan Spears (Sanger) and seconded by D-B Heusser (Selma) to recommend approval of Resolution 2007-27 that supports the analysis of several alternative growth scenarios as part of the California Regional Blueprint Planning Program. A vote was called for and the motion carried.

E. Establish Formal Position on Pending Legislation and overview of Proposition 84

Jennifer Dansby (COG) gave a report on this item. In an effort to be responsive to pending legislation Fresno COG will be actively reviewing and making recommendations on priority legislation to the PAC and Policy Board. As pieces of legislation are brought to our attention by action request or by research, staff will make available the necessary background information to allow for formal position recommendation by both the PAC and Policy Board.

Currently staff is in the process of analyzing the following bill to determine the benefits and impacts this piece of legislation will have on Fresno COG and its member agencies:

AB 1742 (Committee on Environmental Safety and Toxic Materials) State Water Pollution Control Revolving Fund: administrative costs.

General background information on this bill was included in the agenda package.

For informational purposes only, staff will provide a verbal update on Proposition 84, the Safe Drinking Water Bond Act, which passed in 2006. Basically, the state will sell \$5.4 billion in general obligation bonds to fund projects relating to safe drinking water, water quality and supply, flood control, waterway and natural resource protection, water pollution and contamination control, state and local park improvements, public access to natural resources, and conservation efforts. The bond money will be made available to various state agencies and for loans and grants, primarily to local agencies and nonprofit organizations.

Also included in the agenda packet is the June legislative progress report submitted by Steve Samuelian of California Consulting.

A motion was made by Alan Bengyel (Huron) and seconded by Rocky Rodgers (Reedley) to recommend support for AB 1742. A vote was called for and the motion carried.

F. Caltrans Monthly Report

Sharri Ehlert gave an update on this item. Sharri announced that Mr. John Lue has been officially appointed Maintenance & Operations Deputy District Director for District 6. A kick off meeting for the 99 Corridor System Management plan was held at the Fresno office a week ago, and the project is going well. Caltrans met with District 10 and is working with them to coordinate projects on SR 99.

Bruce Rudd commented that traffic on Blackstone to the Friant on-ramp to 41 was moving along with one lane as construction is going on.

This was an information/discussion item and required no further action from the Committee.

IV. OTHER BUSINESS

A. Items from Staff

An Urgency Item that was taken to the Board at the request of Councilmember Rico Aguayo (Fowler) to weigh in on the Williamson Act. The letter was signed by our chairman and sent to Governor Schwarzenegger expressing concern over the Williamson Act discussions and eliminations of the state participation in that program. In addition the Blueprint Committee also sent a letter to the Governor. A response letter from the Governor was handed out.

Barbara Goodwin (COG) called attention to the new placards and suggested that PAC members who are sending an alternate to the meeting, please let Dottie Wright know so she can make a name plate for the substitute.

Barbara Goodwin (COG) reminded everyone about the meeting with Cindy Tuck on Friday, July 13th at 1:30 p.m.

- There will be no Committee or Board meetings in August.
- December 14th the elevator is going to be replaced and it will take about 4 weeks for construction.

There will be no meetings scheduled in December. It was suggested that the TTC/PAC have a joint meeting in January.

B. Items from Members

There were no additional items from members.

There being no further business, a motion was made by Ken Hamm (FAX) and seconded by Bruce Rudd (City of Fresno) to adjourn the meeting. A vote was called for and the motion carried.

Respectfully submitted,

A handwritten signature in cursive script that reads "Barbara Goodwin".

Council of Fresno County Governments
Fourth Quarter Progress Report for FY 2006-07
Ending June 30, 2007

WE 110 - Regional Streets and Highways

Objective: To maintain a continuing, cooperative, and coordinated regional streets and highways planning process that is responsive to local needs as well as state and federal requirements.

Accomplishments:

- Continued participation in the Statewide California Federal Programming Group (CFPG) established to provide a linkage between State, Federal, and Regional Transportation Planning Agencies involved in transportation programming activities.
- **Continued use** of the *California Transportation Improvement Program System* (CTIPS) and involvement in program updates.
- Continued participation in the San Joaquin Valley COG Directors Association Model Coordinating Committee (MCC) and Programming Coordination Group (CPG) [DEVERE]

WE 111 - Regional Transportation Modeling

Objective: To maintain a continuing, cooperative, and coordinated regional transportation modeling process that is responsive to local needs as well as state and federal requirements.

Accomplishments:

- Provided various model data to consultants, member agencies, and Caltrans.
- Continued participation in the Caltrans led Statewide Modeling/Information Sharing Group. Helped coordinate the San Joaquin Valley Regional Transportation Planning Agencies (RTPAs) Modeling/Air Quality Coordinating Committee. This committee was established to provide interagency transportation conformity consultation. The meetings are attended by representatives of the eight Valley RTPAs; the Federal Highway Administration (FHWA); Caltrans; the California Air Resources Board (CARB), the San Joaquin Valley Unified Air Pollution Control District (SJVUAPCD); and the United States Environmental Protection Agency (USEPA).
- Kept the road network database up-to-date. The database is used for modeling and other reporting purposes.
- Participated in the Valley-wide Truck Model Steering Committee, and coordinated grant application for Valley-wide truck model - phase III. Awarded the contract for Phase III to Cambridge Systematics. Held initial kick-off meeting for the Truck Model project.
- Continuing the land use update for traffic model to year 2003 conditions by updating land use information utilizing 2000 Census data and local data.
- Participated in the Freeway Deficiency Study Modeling effort. Awarded the contract for phase II to Fehr and Peers transportation consultants.
- Participated in the San Joaquin River Crossing study. [BITNER]

WE 112 - Regional Traffic Monitoring

Objective: To maintain the Fresno Regional Traffic Monitoring Program as a source of current traffic information for use by member agencies and the public, and as a validation tool for the Countywide Traffic Model.

Accomplishments:

- Coordinated the *Traffic Counts Program* and provided technical assistance to member agencies.
- Provided traffic counts in response to public requests.
- Selected Omni-Means for the Traffic Monitoring Program Review and Update Project. Work on the project commenced in June. [BITNER]

WE 113 – COG Measure “C” Expenditure Plan

Objective: To update and/or monitor the Fresno COG Measure "C" Expenditure Plan as required, and to provide ongoing traffic analysis and modeling for the Fresno County Transportation Authority and Caltrans in support of the project implementation. This is a delivery plan of state and local highway projects within Fresno County using the proceeds of the ½ cent local sales tax in conjunction with other federal, state and local highway funding.

Accomplishments:

- 1987-2007 Measure “C” Expenditure Plan, Sixth Edition will be finalized for adoption September 2007. [BOREN]

WE 114 – Measure C Reauthorization

Objective: To provide the organizational structure and staffing for development of an Expenditure Plan that will guide the utilization of a proposed ½ cent sales tax measure that is tentatively scheduled for the November 2006 ballot. The Reauthorization process is being guided by a Regional Steering Committee consisting of elected officials, interested regional stakeholders and the general public. Staffing is provided by COG.

Accomplishments:

- Obtained 78% voter approval for Measure “C” Reauthorization which went to voters on November 7, 2006.
- Reconvened Measure “C” Steering Committee to begin process of developing Strategic Plan for expenditure of Measure “C” revenues collected after July 1, 2007.
- Began meeting with Measure “C” Implementing subcommittees and project sponsors for regional projects.
- 2007-2027 Measure C Expenditure Implementation Plan, Part 1 – Local Agency Pass-Through Fund Handbook completed and submitted for approval by COG Board
- Selected consultant for Regional Transportation Mitigation Fee Program, July 2007. [BOREN]

WE 117 – San Joaquin Valley Goods Movement Study

Objective: The San Joaquin Valley (SJV) Goods Movement Study project is the third phase of goods movement related studies in the valley. The proposed project will provide improvements to the 8-county (Kern, Fresno, Tulare, Kings, Madera, San Joaquin, Stanislaus, and Merced) SJV truck model and integration with local models. The model has been developed to provide an analytical basis for evaluating the benefits of transportation investments that impact the movement of goods in the Valley. The first phase of the study described the goods movement system and freight flows for the region and generated a list of key goods movement issues and problems. Phase II of the study developed the San Joaquin Valley Truck model tool. In Phase III, the SJV truck model will test modified scenarios from Phase II and other goods movement scenarios

in future years, such as: truck bypass in Fresno County, Shafter Intermodal Facility and “all truck” lanes on South and West Beltway facilities around Bakersfield in Kern County, truck movements along the Route 132 Corridor in Stanislaus County, truck diversion potential (in several communities) in Merced County, CIRIS truck related studies in San Joaquin County, and studies in other SJV counties. The completed model product will be used by each of the county Metropolitan Planning Organizations (MPOs) and HQ Modeling and Travel Analysis Branch. The San Joaquin Valley region is one of the four major international trade regions in California, designated in the 2002 Global Gateways Development Program.

Accomplishments:

- Updated demographic data for the truck model
- Merged all the county networks with the Statewide model network, and created a new network for the truck model
- Validated ITMS data at an aggregate level, and applied the tool to create county-county trip tables
- Developed future year ITMS data
- Draft San Joaquin Valley Regional Goods Movement Action Plan to be circulated July 2007. [BOREN/BITNER]

WE 118 – Fresno Regional Housing Needs Plan

Objective: To prepare the Fresno County Regional Housing Needs Allocation (RHNA) Plan. The RHNA Plan determines each jurisdiction’s existing and projected housing needs for all income levels. Local governments, through their Housing Elements, are individually accountable for demonstrating capacity to accommodate these housing needs for the 5-year planning period from July 1, 2008 through June 30, 2013

Accomplishments:

- Formed a Steering Committee to assist staff with the development of the RHNA Plan.
- Reviewed the Final 2001 RHNA Plan for applicability of methodology for the current Plan.
- Consulted with State Department of Housing and Community Development on the determination of the Housing Need figure, by income group, for Fresno County.
- Surveyed local jurisdictions in conformance with statute to gather information regarding local government infrastructure, housing market and other local conditions that could influence the distribution of the regional housing need.
- The COG Policy Board at its meeting on December 14, 2006 approved the Housing Construction Need number of 52,142 units for Fresno County and initiated the 60-day public comment period of the proposed allocation methodology.
- The Fresno COG Policy Board adopted Resolution No. 2007-07 on February 22, 2007 approving the methodology for use in the development of the Regional Housing Needs Allocation Plan.
- The 60-day review and comments/local revision period of the Draft 2007 Fresno County Regional Housing Needs Allocation Plan expired on June 22, 2007. Revision requests were received by the County of Fresno and the City of Kingsburg and will be evaluated and decided during the subsequent 60-day period. [THOMPSON]

WE 119 – San Joaquin Valley Regional Blueprint Planning Process

Objective: The San Joaquin Valley Regional Blueprint Planning Process is a two-year planning effort envisioned to support long range regional planning through comprehensive development of regional consensus. The goal of the San Joaquin Valley Blueprint Planning Process is to develop a preferred future growth vision for the region through the use of scenario planning.

Accomplishments:

- Entered into a Memorandum of Understanding with the eight Valley COG's outlining our relationship as we move forward with the Blueprint.
- Utilizing the System Development of Informed Consent, Potentially Affected Interests were identified by category and level of priority for the successful implementation of the San Joaquin Valley Regional Blueprint Project.
- A Citizen Participation Plan has been developed and adopted by the eight San Joaquin Valley Councils of Governments (COGs).
- The institutional structure of a San Joaquin Valley Blueprint Regional Advisory Committee (BRAC) has been developed. BRAC membership applications are being accepted at this time. The BRAC will advise and interface both the San Joaquin Valley Blueprint products and the San Joaquin Valley Partnership products.
- Local Blueprint Roundtable is being established according to guidelines in the Citizen's Participation plan.
- San Joaquin Valley COGs are in the process of assessing San Joaquin Regional Modeling capability and possible Modeling enhancements.
- Circulated an RFP to solicit proposals for a Community Participation Facilitator to assist Fresno COG with outreach and modeling tasks associated with the Blueprint
- Participated in Valleywide Blueprint Summit with approximately 700 community members in attendance.
- Entered into contract with VRPA Technologies to engage in community outreach activities with stakeholder groups and general public.
- Attended two Blueprint Learning Network sessions (one in Sacramento and one in Oakland) with 3 COG staff, an elected official and 2 community stakeholders.
- Conducted 2 Blueprint Roundtable meetings with excellent turnout and member participation.
- Forwarded BRAC recommendations for Fresno County to Valley COG Directors for final selection and approval.
- Continued presentations and interviews with community members to elicit information on values and vision.
- Met with Fresno Bee editorial board to inform them of SJV Blueprint planning process.
- Filmed two promotional spots at Comcast Cable Television.
- Conducted approximately 20 meetings with stakeholder groups, held "Road Show" at the Big Fresno Fair, held outreach efforts at shopping centers, community colleges, and with community groups resulting in the collection of over 1500 survey responses.
- Made presentations to all COG member agencies (15 cities and County of Fresno) providing update on Blueprint progress and encouraging participation in community workshop.
- Formed Steering Committee for Blueprint Roundtable to address pressing tasks
- Attended Blueprint Learning Network in Anaheim with 6 member team.
- Attended Lincoln Institute workshop at Cal Poly regarding Blueprint outreach activities.
- Worked with planning director to establish a Valleywide Blueprint Professional Review Panel that will interface with the BRAC and Valleywide Blueprint Coordinating Committee
- Attended the first meeting of the BRAC in Modesto.
- Coordinated with the SJV Partnership staff to define the interface of the Partnership, the Blueprint and the BRAC.
- Coordinated Community Workshop to develop Fresno County's Values and Vision for the Blueprint. Nearly 200 participants attended.
- Modeling staff worked with 16 member agencies as well as Valley COGs to develop the base case "status quo" growth scenario.
- Conducted 3 monthly meetings of the Fresno COG Blueprint Roundtable (32 member advisory committee.)
- Conducted Blueprint Steering Committee and Outreach Committee meetings
- Presented Blueprint update to a joint meeting of the planning commissions of the City of Clovis, the City of Fresno, the County of Fresno, the City of Madera and the County of Madera.

- Met twice monthly with the Blueprint project managers from each of the eight Valley COGs.
- Provided ongoing project management for Fresno Blueprint activities.
- Continued monthly Blueprint Roundtable meetings with stakeholder groups
- Continued twice monthly meetings with SJV Blueprint Coordinating Committee
- Continue working with Great Valley Center, both on BRAC and on two Partnership working groups (Transportation and Land Use, Housing and Agriculture).
- Made Blueprint presentation to CSUF's Campus Planning Committee.
- Staffed Blueprint booth with Earth Day students at CSUF's annual Vintage Days.
- Convened Blueprint Environmental Issues group to hear input on environmental issues to include in document.
- Convened local agency planners to participate in Blueprint Planners Workshop aimed at defining Phase II tasks - goals, objectives and measurable outcomes.
- Met with Partnership Secretariat to ensure connection of two projects
- Met with Farmland Conservation Model Program folks to coordinate modeling tasks between two projects.
- Fresno COG's team continues to attend statewide Blueprint Learning Network (BLN)
- Assist CCRL to plan BLN programs around the state [STECK]

WE 120 - Regional Public Transportation Planning - Urban

Objective: To carry on the continuing urban area public transportation planning process to satisfy the requirements of the Federal Transit Administration under TEA-21 (1997), the Alquist-Ingalls Act (AB-402, 1977) and AB-120 (Statutes of 1979); the Social Service Improvement Act (SB-826, 1988); the Federal Clean Air Act Amendments; the 1988 California Clean Air Act and the Americans with Disabilities Act of 1990 (Public Law 101-336).

Accomplishments:

- *Demand-Responsive Service Evaluation:* Staff prepared and released an RFP for a paratransit service provider. The existing contract with MV transportation services had unresolved issues that the City of Fresno and the contractor agreed required a new RFP. Service continues to be monitored for productivity, cost effectiveness, contract compliance, as well as compliance with ADA regulations.
- *Management Information Systems:* Staff continues to develop and maintain various MIS programs and services. Major work included installation of new Trapeze scheduling software, the development of an automated productivity report generator, and work with Google Inc. on the development of a trip planning service for FAX
- *National Transit Database Report:* National Transit Data Base (NTDB) annual operating statistics for FY2006-07 are being compiled for the report to the Federal Transit Administration. NTDB data collection is an ongoing process.
- *Coordinate with Air District:* Staff reviews Air District's plans and rule making and attends workshops on topics related to transit planning. Staff also works closely in developing funding request strategies from the SJVUAPCD for related TCM's such as alternative fuels funding and transit pass subsidy funding.
- *Review Development Proposals:* Staff continues to work closely with the development community in order to promote pedestrian and transit-friendly development through review and comment on development proposals. Significant work this quarter included work on a planned intermodal Transit Village located on Kings Canyon at Peach.
- *Community Outreach and Public information:* FAX information continues to be maintained on the World Wide Web at <http://www.fresno.gov/index.html>. Staff continues to work with major employers to promote public transit, and to find creative ways to increase transit's market share. Staff has participated in several community outreach activities with various local agencies. Staff initiated the marketing program for a new Senior 7 bus pass to promote free bus services for seniors 65 and over. The program is funded through Measure C.

- *Social Service Transportation Advisory Council (SSTAC)*: The SSTAC completed the Annual Unmet Transit Needs process and its recommendation that there are no unmet transit needs in Fresno County was approved by the COG Policy Board after a public hearing on June 28, 2007.
- *Short-Range Transit Plan (SRTP)*: Staff updated the SRTP for the Fresno-Clovis Urbanized Area, and the plan was adopted by the COFCG Policy Board on June 28, 2007.
- *Clean Air Express Vanpool Program*: Staff continues to oversee the downtown Fresno commuter vanpool program that has been expanded to twelve vanpools. The program has increased to 19 vanpools. Staff is in the process up preparing an RFP for services as the existing contract with Enterprise Rideshare will expire in August 2007.
- *Service Coordination*: FAX continues to include transit service schedules and information for Clovis Stageline in the FAX Schedule Guide.
- *Regional Agency Formation Study*: The final report was completed June, 2007.
- *Regional Farebox System*: Staff, working with a technical consulting firm and regional agencies including FAX, Clovis, FCRTA, and CSUF, began developing an RFP for a regional farebox system that will permit passengers from all county jurisdictions agencies to utilize services from all transit agencies with one pass. This is significant step in regional transit coordination.
- *Transit Master Plan*: The Technical Advisory Committee has met several times and the Public Forum was held on June 27, 2007, which included Bus Rapid Transit Vehicle display. The Forum was very well attended.
- *Fresno Downtown Transportation Infrastructure Study (DTIS)*: The DTIS is a City of Fresno planning effort that is being managed by COG/FAX staff. The draft plan was released for public comment in June, 2007. [DOWNS]

WE 121 – Southeast Asian Transit Ridership Awareness Project

Objective: Through a Caltrans Environmental Justice Grant, the Council of Fresno County Governments and Lao Veterans of America Institute aim to increase transit ridership in the low income and minority Hmong and Laotian communities by increasing awareness of the service.

Accomplishments:

- Staff is working with Caltrans and Lao Veterans of America Institute (LVAI) staff to facilitate contract agreement on this Environmental Justice Grant. Work on the project cannot commence until this is accomplished.
- Staff continues to work with Caltrans to pursue Fund Transfer Agreement. This project has been “in the pipeline” for 9 months and we have yet to receive the papers necessary from Caltrans to move this forward.
- Received Fund Transfer Agreement from Caltrans and entered into contract with Lao Veterans of America Institute (sub-recipient) so that they can proceed with their project.
- Consulted with sub-recipient regarding their progress and their billing procedures with COG.
- Continue to work with sub recipient in hopes that they will find capacity to commence work program.
- Recommended options to LVAI regarding sub consultants, one of whom they hired.
- The project commenced with the understanding that they must complete all activities on time as there would be no extensions.
- Project is moving forward as indicated in progress reports and invoices.
- Community-Based Organizations involved in the project during 3rd quarter.
 - Academy for New Americans
 - Fresno Interdenominational Refugee Ministry
 - Hmong International New Year Community Groups' 1,2,3, and 4
- Several public participation efforts were held to engage and inform target populations
- Southeast Asian Transit Awareness Project was completed on February 28, 2007

- Final documents/materials were forwarded to HQ this quarter (contacts, agreements, final reports, etc.) [STECK]

WE 123 – Fresno-Madera County Freeway Interchange Deficiency Study

Objective: Through a Caltrans Partnership Planning Grant, the Council of Fresno County Governments and the Madera County Transportation Commission are joining the cities of Fresno, Clovis, Madera, Selma, Kingsburg, Chowchilla and the counties of Fresno and Madera in an assessment of the current freeway systems and interchanges within Fresno and Madera counties. The purpose of the Fresno-Madera County Freeway Interchange Deficiency Study is to determine, based on projected population growth and build out of existing general plans, if a regional transportation impact fee will be required from future development in Fresno County in order to keep the metropolitan transportation system functioning properly.

Accomplishments:

- Released the Request for Proposal for the Freeway Deficiency Study Phase II.
- Interviewed consultants for the phase II deficiency study. Fehr and Peers was selected for the study.
- Initial kick off meeting was held and consultant team is progressing in development of the deficiency study traffic model and delivering a fee study technical document. [BITNER]

WE 130 - Regional Public Transportation Planning - Rural

Objective: To carry on the continuing rural public transportation planning process to satisfy the requirements of the Alquist-Ingalls Act (AB-402, 1977); the Social Service Improvement Act (AB-120, 1979); the Mello Act (SB-157, 1985); the Specialized Transportation Services Act (SB-826, 1988) the Federal Clean Air Act Amendments (1990); the 1988 California Clean Air Act and the Americans with Disabilities Act of 1990 (Public Law 101-336).

Accomplishments:

- The Fresno COG's Social Service Transportation Advisory Council completed its annual "Unmet Transit Needs" process during the Fourth Quarter. Mass mailings were sent to nearly 500 interested individuals and parties of record. Three community outreach meetings were conducted in February for the Eastern, Central, and Western areas of Fresno County to further facilitate public comments. The Committee reviewed the staffs' analysis during the Fourth Quarter before reaching a finding regarding transit needs that may be reasonable to meet. The process culminated on June 28th with a Public Hearing before the Policy Board. No additional comments were expressed, and the findings were approved.
- Staff met with the Triennial Performance Auditor twice during the Fourth Quarter. The draft reports were reviewed by staff in mid-June 2007. The final Report will be presented to the Policy Board for acceptance on July 19, 2007.
- The updated draft *Short Range Transit Plan* for the Fresno County Rural Area was circulated for review and comment early in the Fourth Quarter. The document reflected the commitments adopted in the 2007 Regional Transit Plan and the promises contained in the voter approved Measure-C Expenditure Plan. The final draft was adopted following a Public Hearing before the Policy Board on June 28, 2007 [WEBSTER].

WE 150 - Other Modes - Aviation, Non-Motorized & Rail

Objective: To maintain a continuing, coordinated planning process in the aviation, non-motorized, and rail modes.

Accomplishments/Aviation:

- Monitored aviation issues and legislation important to Fresno County.
- Ongoing participation as a member of the RTPA Aviation System Planning Working Group.

Accomplishments/Non-Motorized:

- Monitored bikeway issues and legislation important to Fresno County.
- Staff sits as a voting member representing the San Joaquin Valley on Caltrans Bicycle Advisory Committee.
- Attended and participated in a meeting of the California Bike Advisory Committee on June 7, 2007 in Sacramento to discuss several technical issues of importance to the bicycle transportation mode.

Accomplishments/Rail:

- Monitored rail issues and legislation important to Fresno County.
- Monitored activities of the California High-Speed Rail Authority and other activities related to high-speed rail in California.
- Presented an update and status report on activities of the California High-Speed Rail Authority to the COG Committees and Policy Board during the February cycle of meetings.
- Participated in a meeting of the Fresno County Technical Advisory Committee on April 18, 2007 with the consultant team retained by the Authority to evaluate alternative high-speed rail corridors south of Fresno that would provide service to a potential station in the Visalia/Tulare/Hanford area.
- Participated in a joint meeting of the technical advisory committees of Tulare, Fresno and Kings counties along with the consultant team retained by the Authority to discuss station location and alignment issues of mutual interest and importance.
- Attended meeting of the San Joaquin Valley Rail Committee in Richmond on June 28, 2007. Regular agenda items included an Amtrak/Caltrans marketing report, an Amtrak California Corridor report, and a Caltrans Division of Rail report, including State and Federal Amtrak budgeting issues. The next meeting of the San Joaquin Valley Rail Committee is scheduled for September 27, 2007 in Merced.
- Continued efforts with Fresno Area Residents for Rail Consolidation (FARRC) and other interested citizens and organizations regarding the potential rail consolidation project in Fresno and other projects. [THOMPSON]

WE 170 - Regional Transportation Plan

Objective: To develop and publish on a four-year basis the Regional Transportation Plan (RTP) for Fresno County which addresses at a minimum a twenty year planning horizon. The plan shall include both long-range and short-range strategies and actions for implementing an integrated intermodal transportation system. The plan will address the federally required Safe, Accountable, Flexible, and Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) planning factors. The final rule for SAFETEA-LU implementation was released in February 2007 with an effective date of March 16, 2007.

Accomplishments:

- Held public hearings on April 26, 2007 for the 2007 RTP and Environmental Impact Report (EIR).
- Responded to public comments and approved 2007 RTP and EIR on May 31, 2007.
- Continued coordination with San Joaquin Valley MPOs to submit all required documents to state and federal agencies. [PAUKOVITS]

WE 172 - Congestion Management Planning

Objective: To respond to federal congestion management planning requirements.

Accomplishments:

- Participated in discussions with FHWA regarding SAFETEA-LU compliance for the congestion management process. [PAUKOVITS]

WE 180 - Air Quality Transportation Planning

Objective: To maintain a coordinated transportation/air quality planning process consistent with the goal of attaining and maintaining federal and state air quality standards.

Accomplishments:

- Worked on an on-going basis with local, State, and Federal agencies regarding air quality and transportation issues.
- Continued participation in the Statewide Air Quality/Conformity Working Group.
- Continued to participate with the other seven Valley TPAs in the San Joaquin Valley Modeling and Air Quality Committees to address pertinent transportation, modeling, air quality, and conformity analysis issues.
- Continued contract administration for the Valley-wide Air Quality Planning and Coordination consultant. Managed the efforts of the air quality consultant (including strategy and review of all materials) on behalf of the eight Valley TPAs.
- Managed the contract for the Valley-Wide Air Quality Policy Services consultant.
- Participated in conference calls with staff from ARB, EPA, FHWA, Caltrans, and various members of the other San Joaquin Valley TPAs.
- Attended and participated in San Joaquin Valley Clean Cities Coalition Board Meetings.
- Attended Air District Board meetings and workshops.
- Presented air quality updates to the San Joaquin Valley TPA Director's Association.
- Participated in the San Joaquin Valley Partnership Air Quality Work Group.
- Reviewed relevant information and provided comments on the development of the 8-hour ozone State Implementation Plan (SIP). Fresno COG Policy Board approved submission of letter to the Governor related to approval and submission of the eight-hour ozone plan to EPA.
- Approved conformity analysis for the 2007 Regional Transportation Plan (RTP) and Federal Transportation Improvement Program (FTIP) in May 2007. Received FHWA approval in June 2007.
- Developed valleywide policy to fund cost-effective Congestion Management and Air Quality (CMAQ) projects. Approved by the Fresno COG Policy Board on May 31, 2007. [PAUKOVITS]

WE-220 – Transportation Program Development

Objective: To identify transportation improvements proposed for implementation within a short-range period of compliance with federal and state requirements.

Accomplishments:

- COG staff continues to work with its member agencies in an effort to develop/maintain a financially constrained transportation improvement program.
- Correspondence with Agency staff and Caltrans regarding delivery/preparation of the Obligation Plan for FFY 2006/07.
- Development and posting of the Annual listing of projects.
- The 2007 FTIP was adopted by the COG Policy Board July 20, 2006 and approved by the Federal Highway Administration (FHWA) on October 2, 2006. COG staff continues intergovernmental coordination and public notification for all formal amendments to the FTIP.

- Formal Amendment 1 to the FTIP was approved on November 30, 2006 by FHWA.
- Formal Amendment 2 to the FTIP was approved on February 5, 2007 by FHWA.
- Formal Amendment 5 to the FTIP was approved on April 12, 2007 by FHWA.
- Formal Amendment 7, SAFETEA-LU compliance, was adopted by the COG Policy Board on May 31, 2007 and was approved on June 29, 2007 by FHWA.
- Administrative Amendment 8 to the FTIP was approved on June 13, 2007 by the Executive Director as authorized by the COG Policy Board. [BOREN/DEVERE]

WE 310 - Intergovernmental Coordination

Objectives: 1) To promote coordination, cooperation and communication on administrative and planning matters among local agencies, the COG, federal and state agencies. To enable various agencies, including Native Americans, to participate in and review the regional planning process; 2) To provide the public with information on activities, meetings, planning documents and reports, and to seek advice from the public on COG's planning activities; and 3) To provide local agencies and the public the opportunity to review and comment upon federal grant proposals through the Local Clearinghouse Process.

Accomplishments:

- Continued to provide staff support to the Association for the Beautification of State Route 99. Organized bimonthly meetings for the Association, assisted with correspondence, conducted research, and prepared staff reports.
- Continued efforts towards implementing the *2000 Highway 99 Beautification Plan* by recommending the adoption of a draft Highway Beautification Overlay Zoning District by the Cities of Kingsburg, Selma, Fowler, Fresno, and Fresno County.
- Continued monitoring other SR 99 beautification efforts such as the Great Valley Center's Highway 99 Project and Caltrans' *Highway 99 Plan*.
- Provided ongoing support to member agencies of the Abandoned Vehicle Abatement Service Authority in the establishment of this new program in Fresno County. Issues discussed over the course of the quarter include election of Chair and Vice-Chair of the Authority and a determination of time standards and personnel costs for use in calculating program costs.
- Staff continues to outreach to the Native American Tribal governments, both federally and non-federally recognized, in Fresno County to solicit their input and to seek their participation in COG activities. Staff continues to provide all of the tribes with ongoing meeting notifications and any other pertinent information that may be of interest to the tribes.
- Called for "One Voice" projects from member agencies and community organizations. Convened selection committee and selected top priorities with COG Board approval.
- Participated in the coordination of a monthly "Professional Development Roundtable" aimed at public and private agency education and networking.
- Provided follow up on March 2007 "Sacramento One Voice" trip in which a 16 person delegation traveled to the State's Capitol.
- Provided follow up on February 2007 Washington D.C. "One Voice" trip in which a 33 person delegation traveled to the Nation's Capitol.
- Met with COG Policy Board members at special meetings in their communities to solicit input on the SJV Regional Blueprint Planning Process.
- Continued outreach with staff and administrators of member agencies to gather input for the Blueprint.
- Provide ongoing updates to member agencies on progress with Blueprint activities.
- Planned for project selection committee to meet during next quarter.
- Continue to work with eight Valley COGs on project management of SJV Blueprint.
- Engage in second round of meetings with all member agencies at their policy board meetings.

- Staff continues involvement/collaboration on Intelligent Transportation Systems (ITS) projects of local, valley-wide, and State interest. [BOREN/DEVERE/STECK]

WE 311 - Public Information and Participation

Objective: To provide the public with information on activities, meetings, planning documents and reports, and to seek advice from the public on COG's planning activities. This work element is intended to highlight the COG's desire to encourage more public participation in the transportation planning process, consistent with TEA 21 requirements. This will include public involvement in the development stages of plans and programs as well as throughout the adoption process. COG's newly adopted Public Involvement Procedures will be consulted and followed during each phase of plan or program development.

It is Fresno COG's desire that the citizens of Fresno County and its cities assist in delineating values, goals, and objectives of transportation-related services and planning documents. Further, it is Fresno COG's intent that those same citizens, charged with the responsibility of providing feedback on a continuous basis, will participate in the selection of transportation facilities and programs for planning and programming under Fresno COG's authority. Finally, it is the goal of Fresno COG to adequately provide information to and solicit input from historically underserved community of Fresno County (i.e. elderly, minority groups, youth, disabled, and lower income people).

Accomplishments:

- Prepared agenda packages, reports, and notices for COG's three monthly public meetings.
- Developed legislative reports for Fresno COG's monthly public meetings. Tracked legislative items and supplied additional legislative information as requested by COG and member agency staff.
- Filled requests for information about Fresno COG and/or their member agencies and updated various listings.
- Designed and printed graphic design materials for Fresno COG staff as requested.
- Measure C Citizen Oversight Committee (COC) Application Process Outreach:
 - Updated new pages for the 2007-2027 Measure C section of Fresno COG's website
 - Answered questions received from the media, member agencies and community members on the Measure C Expenditure Plan
 - Sent out news releases announcing the Citizen Oversight Committee Selection
 - Scheduled the first meeting of the COC
- Prepared and sent news releases to the media regarding the San Joaquin Valley Regional Blueprint
- Continued updating Fresno COG's website with a variety of graphics and material
- Continued involvement in the Valley Blueprint process:
 - participated on the Valleywide media committee
 - worked with staff to design a new media outreach plan
- Completed update of the Fresno County Transportation Guide; sent the English version to translator for Spanish translation.
- Mailed out the Spring 2006 COG Outlook newsletter and posted an electronic version to the Fresno COG website
- Researched and ordered new Blueprint Outreach materials
- Hosted a Blueprint Outreach booth at CSUF's Vintage Days celebration in coordination with and by invitation from the CSUF Parking and Transportation Department [DEVERE/LAUCHNER]

WE 312 - COGView Internet Home Page

Objective: To create a source providing easy access to government and other information for Fresno County residents, member agencies, and perspective business interests using the latest technology of the World Wide Web. Additional objectives include enhancing potential economic development and increasing public knowledge and involvement of COG activities as well as reduce costs..

Accomplishments:

- The website has been completed and is in use.
- The Fresno COG website maintains minutes and agendas for the Fresno COG Technical Advisory Committee, the Policy Advisory Committee and Policy Board.
- Committee members have the choice of continuing to receive agenda by mail or they can sign up to receive links to the agendas online by email.
- Air quality and transportation modeling data is updated regularly on the website.
- Most reports and publications put out by the Fresno COG are readily and easily accessible online through the website.
- The discussion boards for the Fresno COG website have been completed and documentation and movies are in process.
- Online calendars and important dates are being constantly updated and kept current on the Fresno COG website. Meeting agenda/handout links are now included on the online calendar.
- Search capabilities have been implemented on the website so people can search for documents by keyword.
- Requirements for a planned road closure website for Fresno County has been designed. Construction of this new functionality will be starting any day now.
- Provided support and ongoing maintenance of the COGView website.
- Development of the planned road closure functionality for the Fresno COGView website has started. Estimated completion date, July 2007.[LAUCHNER/SOBRADO]

WE 313 – Environmental Justice, Title VI

Objectives: Devise ways to ensure that Fresno County's disadvantaged and minority populations are being included in the transportation process. The COG's Environmental Justice Task Force, whose members include representatives from community based organizations that represent low-income, minority, elderly, disabled, Native American, and farmworker communities as well as representatives from local government agencies, Caltrans, and FHWA, met on a monthly basis from March of 2004 through spring of 2005.

In response to Federal and State emphasis on Title VI and Environmental Justice an effort has been added to this work element that will involve establishing an Environmental Justice Task Force to develop a process with which to assess and ensure compliance of Fresno COG's transportation planning efforts with environmental justice requirements and Title VI. The Task Force will play a key role in evaluating COG's current Environmental Justice and Public Participation efforts and provide guidance on how to achieve the desired results. The Task Force will also help define the target population within Fresno County, identify the needs of the target population and develop appropriate performance measures for gauging the regional benefit and burdens of transportation system investments on the target population.

An Environmental Justice Report will be prepared, which will include the Environmental Justice Task Force efforts and recommendations, as well as the analysis used to evaluate the Regional Transportation Plan to ensure that the programs, policies, and activities outlined in the plan serve all segments of the region without generating disproportionately high adverse impacts upon target populations.

Caltrans has developed an Environmental Justice Desk Guide that will serve as a resource for COG staff to better understand Environmental Justice issues and provide guidelines for the implementation of Environmental Justice in the planning process. Fresno COG staff has reviewed the Caltrans Desk Guide and plans to use the recommendations provided by incorporating them, as applicable, in our Environmental Justice efforts.

Fresno COG staff plans to use the Environmental Justice studies performed by the Kern Council of Governments and the Mid-Ohio Regional Planning Commission as models for our efforts in this area. The detailed tasks outlined at the end of this work element reflect the anticipated work activities of our staff.

Accomplishments:

- The Environmental Justice Report is slated to be released by the Consultant the first or second week of January. Once released, the EJ task force will be reconvened for their review and approval of the study.
- The write up of the Environmental Justice study is largely complete. The last remaining part of this study consists of commentary about migrant farmworkers as a disadvantaged population for the purposes of this report.
- The final modeling results for the Environmental Justice Report are currently being completed. The EJ Task Force will be reconvened to review the findings and once approved, the findings will be forwarded to the Fresno COG Policy Board for adoption. [SOBRADO]

WE 314 – Public Transit-Human Services Transportation

Objective: The Human Services Transportation Coordination work element's aim is to improve transportation services for persons with disabilities, older adults, and individuals with lower incomes by ensuring that public and non-profit agencies coordinate transportation resources provided through multiple federal programs including the Formula Program for Elderly Persons and Persons with Disabilities; the Job Access and Reverse Commute Program and the New Freedom Program.

Accomplishments:

- Reviewed all of the new requirements pertaining to the Job Access and Reverse Commute Program and the New Freedom Program.
- Identified a course of action that would implement the new requirements for several Public Transit-Human Services Transportation grants.
- Created methodology and project plan to develop the Coordinated Plan required by SAFETEA-LU. The Plan is in development and is expected to be completed by November 2007.
- Implementation of the Consolidated Plan required under the Job Access and Reverse Commute Program is currently in process. Survey has been sent and we are on track to have this plan completed by November 2007, if not before.[SOBRADO]

WE 320 - Technical Assistance to Members

Objective: To provide member governments with specialized technical assistance services. It is intended that the major beneficiaries of this service be the smaller cities with limited technical staff resources.

Accomplishments:

- *Rural Communities Collaborative of Fresno County (RCCFC):* Served on RCCFC Steering and General Committees. The RCCFC is a volunteer organization geared toward helping rural communities to become self-sufficient through increased social and economic development. The Collaborative acts as a catalyst in identifying available federal, state, and local resources available to serve local community needs and provides access to and dissemination of those resources. [BOREN]

WE 330 – Outside Technical Assistance

Objective: To provide traffic modeling information to outside agencies on a cost reimbursement basis. Also, to provide program support functions for microcomputer applications (accounting, utility billing, etc.) to interested parties on a cost reimbursement basis.

Accomplishments:

- No activity this quarter. [BITNER]

WE 340 – Traffic Demand Management Program

Objective: Transportation Demand Management (TDM) includes a wide variety of transportation control measures having a goal of reducing overall motor vehicle usage. In prior years, the predominate effort of this activity has been promotion of ridesharing. Declining state and federal revenue to support this effort in recent years has resulted in a less ambitious Program beginning in 1996/97.

Accomplishments:

Ridematching:

- Currently have nearly 1,000 registered users in the *Carpool/Vanpool Online Matchlist* program at www.Valleyrides.com. Maintained this current and active database of commuters, referring callers to the online system or inputting information for clients
- Worked with other TDM agencies, employers and vanpool agencies to facilitate matches and refer clients. These agencies include: CSU Fresno, South Valley Rideshare, San Joaquin Commute Connection, Fresno Area Express, KART and Enterprise Rideshare
- Continued assisting the city of Fresno's Downtown Vanpool Program. Staff receives calls and emails requesting information on available seats on one or more of the 18 available vanpools, and either refers commuters to an appropriate vanpool or places them on the waiting list for upcoming vanpool opportunities

Information Services:

- Filled requests for transit referrals and information; park and ride lot information; vanpool subsidies and referrals; transportation guides; bikeway maps; and additional bikeway information
- Continuing the update on portions of the Fresno County Transportation Guide
- Updated and printed the Fresno Clovis Bikeways Map
- Developed, and printed a new Bikeways Map for the city of Kingsburg
- Working to develop a draft implementation strategy for the Measure C Commuter Vanpool/Carpool program

Administration:

- Prepared and maintained program records, invoices, budget and Quarterly Report
- Attended Fresno COG Committee meetings as appropriate. [LAUCHNER]

WE 350 - Fresno Regional Data Center

Objectives: To perform the duties as an Affiliate State Census Data Center and provide assistance to member agencies and the general public in obtaining, analyzing and utilizing census and other demographic data in support of the area-wide planning process. Also to provide continuing support to the internal data needs for

traffic simulation modeling requirements including the updating and development of alternative socio-economic scenarios and providing data support for COG prepared reports and plans.

Accomplishments:

- Assisted 50 individuals from governmental agencies, businesses, and the public, in their information needs.
- Monitored, prepared and distributed Census 2000, State of California Department of Finance, and other data to member agencies and the public.
- Developed socio-economic data for alternative land use scenarios for consultants' traffic impact studies and special studies.
- Provided demographic information for COG-prepared documents and presentations including Measure C, Blueprint Planning Process, One Voice, Environmental Justice, and the Regional Housing Needs Study.
- Prepared for County's participation in Census 2010 and LUCA (Local Update of Census Activities).
- Prepared Transit Service Area calculations for Transportation Development Act funding purposes.
- Worked on update of base socio-economic model data.
- Prepared Affiliate State Census Data Center activity report as required, and State of California Department of Finance population surveys. [CHUNG]

WE 910 – COG Administration

Objective: To effectively administer the planning program and fiscal operations of the COG.

Accomplishments:

- Staff monitored funding levels, expenses and budgets. Development of the 2007/08 Overall Work Program began in January.
- Supervised planning staff activities and progress on work assignments.
- Coordinated preparation of agendas, related materials and committee schedules.
- Conducted ongoing management team meetings to coordinate staff assignments and outcomes.
- Conducted staff evaluations as needed. [BESHEARS/BOREN]

WE 911 - OWP and Budget

Objective: To develop an Overall Work Program (OWP) and Budget consistent with federal and state funding priorities and local agency needs.

Accomplishments:

- Staff monitored funding levels, expenses and budgets. Development of the 2007/08 Overall Work Program began in January 2007.
- 2007/08 Overall Work Program was adopted May 2007.
- Amendment # 1 was approved on June 28, 2007. [BESHEARS/BOREN]

WE 912 - Local Transportation Funds Administration

Objective: To administer the Local Transportation Fund (LTF) and State Transit Assistance (STA) Fund in accordance with the California Transportation Development Act.

Accomplishments:

- Staff recorded sales tax deposits from the State Board of Equalization and STA allocations from the State Controllers Office. Member Agency Claims were processed. Allocation Instructions were prepared and sent

to the Auditor Controllers Office. Changes in state regulations were monitored through the TDA Ad Hoc committee chaired by the Division of Mass Transportation. [BESHEARS]

WE 913 - Valley RTPA Coordination

Objective: To ensure a coordinated and comprehensive approach to transportation and air quality planning among the eight San Joaquin Valley transportation planning agencies and the San Joaquin Valley Unified Air Pollution Control District.

Accomplishments: COG staff and the Director continue to work with the other seven San Joaquin valley RTPAs on issues that have valleywide significance including air quality, pursuit of Interstate designation for SR 99.

- Worked with all Valley COGs to submit a proposal to Caltrans to develop a coordinated San Joaquin Valley Regional Blueprint planning effort.
- Upon notification by BT & H that we were successful in our funding application for the Blueprint, began intensive coordination with other Valley COGs to begin the preliminary planning of this two year project.
- Attend "Consent Building Workshop" at UC Merced with other Valley COG representatives in preparation for work on Blueprint.
- Participated in bi-weekly conference calls/face-to-face meetings with members of the Blueprint Coordinating committee and Blueprint Modeling committee and Public Outreach committee.
- Attend Blueprint Learning Network meetings around the state with 6 member COG Blueprint team. [BOREN/DOWNS/STECK]

WE 920 – Fresno County Rural Transit Agency Administration

Objective: To provide under contract, administrative and fiscal management services for the Fresno County Rural Transit Agency (FCRTA).

Accomplishments:

- During the Fourth Quarter, Staff processed claim reimbursement for provided transit service.
- Staff responded to Caltrans comments on pending Grant requests.
- Staff updated its Drug and Alcohol Policy following a Caltrans Audit review. The Policy was presented for readoption by the Board of Directors early in the Fourth Quarter.
- Staff also performed a variety of administrative functions concerning: general administration; accounting; risk management; procurement; and statistical analysis.
- Staff completed its ongoing monitoring of ridership on two new demonstration services, the Juvenile Justice Campus Transit and Biola Transit. Through the Fourth Quarter, actual riderships on both services were significantly lower than minimum standards. The Board of Directors concurred that minimum expectations on both services did not warrant continuation. Public Notices were published in the Fresno Bee notifying the public that both services would be discontinued on June 30, 2007. No adverse comments were received [WEBSTER].

WE 930 – Fresno County Transportation Authority Administration

Objective: To provide personnel support services to the Fresno County Transportation Authority.

Accomplishments:

- Staff provided payroll and benefit administration for the Fresno County Transportation Authority. [BESHEARS]

WE 940 - Freeway Service Patrol

Objective: To continue the Freeway Service Patrol, in coordination with Caltrans and the California Highway Patrol, in an effort to remove minor incidents rapidly, thereby reducing congestion, secondary accidents, and vehicle emissions.

Accomplishments:

- Administered the FSP tow contracts. This primarily included reviewing and paying invoices for towing services and radio use, both on a monthly basis, and paying for radio repairs and miscellaneous supplies (i.e. brochures) on an as-needed basis.
- Ongoing coordination and communication with the Freeway Service Patrol Statewide Oversight Committee and with Caltrans Traffic Operations, including annual program benefit/cost evaluations.
- Attended a meeting of the Statewide FSP Oversight Committee in Sacramento on May 31, 2007, in Sacramento to discuss issues of mutual interest to all 13 FSP programs. [THOMPSON]

WE 945 – Abandoned Vehicle Abatement Program

Objective: To administer the activities and duties of the Fresno County Abandoned Vehicle Abatement (AVA) Service Authority.

Accomplishments:

- Ongoing communication with AVA Service Authority members, particularly regarding eligible expenses for reimbursement and reporting requirements.
- Calculated payment amounts to eligible local jurisdictions for AVA expenses.
- Coordinated with local agencies and with other AVA Service Authorities in the State regarding possible changes to State statutes governing abandoned vehicle abatements.
- Provided Status Reports to the Fresno COG Policy Advisory Committee and Policy Board at the June cycle of meetings.
- Conducted quarterly AVA Working Group meeting on April 13, 2007.
- Attended and participated in a statewide AVA Meeting in the City of Orange on April 19, 2007.
- Prepared and sent letter in support of AB 468 (Ruskin), legislation that clarifies vehicle abatements for reimbursement and other matters vital to a viable AVA program in Fresno County [THOMPSON]

WE 951 – Non-Point Source Water Quality Management

Objective: The purpose of this work element is to allow the Council of Fresno County Governments to act as a conduit for funding for an Environmental Protection Agency grant to conduct a non-point source water quality management program. The primary objective is to develop an educational program for farmers and ranchers on ground and surface water quality.

Accomplishments:

- Fresno COG's role in this project is to provide administrative services in determining eligibility and processing reimbursement requests by the Fresno County Farm Bureau. [BESHEARS]

WE 952 - Fresno Yosemite Village Revitalization Implementation Plan

Objective: Through a Caltrans Environmental Justice: Context Sensitive Planning for Communities Grant, the Council of Fresno County Governments and the Housing Authority of the City of Fresno will undertake the following activities. This project will establish and promote guidelines that will make the Fresno Yosemite Village Revitalization Implementation Plan an area that is inviting to people who are walking or taking transit; fostering connectivity between a compatible mix of land uses and the creation of a traditional neighborhood community. The street types and intersection designs envisioned by the West Fresno Community Vision Plan are the basis of the traditional neighborhood design for this area. Pedestrian-friendly street designs can provide equity between pedestrian comfort and automobile traffic. This project seeks to accomplish the following:

- Develop conceptual pedestrian-oriented street design guidelines for the project area and identify pedestrian circulation paths, street trees and linkages to community services in accordance with the West Fresno Community Vision plan and the adopted Fresno General Plan “Landscape of Choice” and the Ahwahnee Principles to improve mobility, access to services and equity in providing for an improved quality of life for the project area.
- Promote cooperation between the public agencies and resident community members in improving their access to critical community services
- Promote the development of Healthy Communities and Sustainable Sites in accordance with the West Fresno Community Vision plan, the adopted Fresno General Plan “Landscape of Choice” and the Ahwahnee Principles, and developing access to critical services
- Promote the development of Healthy Communities and Sustainable Sites. Develop energy efficiency strategies for the community’s transportation infrastructure and quantify the resulting energy savings and air quality benefits
- Promote adoption of these guidelines within the community and among Fresno regulatory agencies (City of Fresno and Fresno Redevelopment Agency)

Accomplishments:

- Staff is working with Caltrans and the Housing Authority of the City of Fresno staff to facilitate contract agreement on this Environmental Justice Grant. Work on the project cannot commence until this is accomplished.
- Staff continues to work with Caltrans to pursue Fund Transfer Agreement. This project has been “in the pipeline” for 9 months and we have yet to receive the papers necessary from Caltrans to move this forward.
- Received Fund Transfer Agreement from Caltrans and entered into contract with Housing Authority of the City of Fresno (sub-recipient) so that they can proceed with their project.
- Consulted with sub-recipient regarding their progress and their billing procedures with COG.
- Continue to work with sub-recipient to facilitate progress on their work program.
- Worked with sub-recipient to extend contract to February 28, 2008.
- Encouraged grant sub-recipient to move project forward in order to complete by new deadline. [STECK]

RESOLUTION OF APPROVAL
TRANSPORTATION FUNDING
CLAIM FOR THE CITY OF
FOWLER, 2007-08

WHEREAS, the Council of Fresno County Governments (COG) is the administrator of the Local Transportation Fund as provided by Chapter 1400 of the California Statutes of 1971, and the State Transit Assistance Fund as provided by Chapter 161 & 322 of the Statutes of 1979 and 1982, respectively, and

WHEREAS, the COG has the authority to review claims and allocate such funds in accordance with the Transportation Development Act of 1971 and Chapter 3 of Title 21 of the California Code of Regulations; and

WHEREAS, the City of Fowler has submitted a Transportation Funding Claim for its 2007-08 fiscal year apportionment.

NOW, THEREFORE, BE IT RESOLVED, that the Transportation Funding Claim submitted by the City of Fowler has been reviewed and the following findings are hereby made:

1. The Funding Claim submitted by the City of Fowler has been reviewed and found to be in conformance with the adopted Regional Transportation Plan.
2. That the COG finds that priority consideration has been given to claims to offset reductions in federal operating assistance and the unanticipated increase in the cost of fuel, to enhance existing public transportation services, and to meet high-priority regional, countywide, or areawide public transportation needs.
3. On June 28, 2007 the COG Board approved Resolution 2007-25 which found that public transportation needs within the City of Fowler and its sphere of influence will be reasonably met in 2007-08.

BE IT FURTHER RESOLVED, that the COG hereby approves the Transportation Funding Claim submitted by the City of Fowler and allocates monies from the Transportation Development Act in accordance with the attached claim which is hereby made a part of this resolution.

BE IT FURTHER RESOLVED, that the Auditor-Controller of the County of Fresno cause the approved claim to be paid in the manner and time directed by the Executive Director of the Council of Fresno County Governments.

THE FOREGOING RESOLUTION was passed and adopted by the Council of Fresno County Governments this 27th day of September, 2007.

WHEREAS, the Council of Fresno County Governments (COG) is the administrator of the Local Transportation Fund as provided by Chapter 1400 of the California Statutes of 1971, and the State Transit Assistance Fund as provided by Chapter 161 & 322 of the Statutes of 1979 and 1982, respectively, and

WHEREAS, the COG has the authority to review claims and allocate such funds in accordance with the Transportation Development Act of 1971 and Chapter 3 of Title 21 of the California Code of Regulations; and

WHEREAS, the City of Kerman has submitted a Transportation Funding Claim for its 2007-08 fiscal year apportionment.

NOW, THEREFORE, BE IT RESOLVED, that the Transportation Funding Claim submitted by the City of Kerman has been reviewed and the following findings are hereby made:

1. The Funding Claim submitted by the City of Kerman has been reviewed and found to be in conformance with the adopted Regional Transportation Plan.
2. That the COG finds that priority consideration has been given to claims to offset reductions in federal operating assistance and the unanticipated increase in the cost of fuel, to enhance existing public transportation services, and to meet high-priority regional, countywide, or areawide public transportation needs.
3. On June 28, 2007 the COG Board approved Resolution 2007-25 which found that public transportation needs within the City of Kerman and its sphere of influence will be reasonably met in 2007-08.

BE IT FURTHER RESOLVED, that the COG hereby approves the Transportation Funding Claim submitted by the City of Kerman and allocates monies from the Transportation Development Act in accordance with the attached claim which is hereby made a part of this resolution.

BE IT FURTHER RESOLVED, that the Auditor-Controller of the County of Fresno cause the approved claim to be paid in the manner and time directed by the Executive Director of the Council of Fresno County Governments.

RESOLUTION OF APPROVAL
TRANSPORTATION FUNDING
CLAIM FOR THE CITY OF
SANGER, 2007-08

WHEREAS, the Council of Fresno County Governments (COG) is the administrator of the Local Transportation Fund as provided by Chapter 1400 of the California Statutes of 1971, and the State Transit Assistance Fund as provided by Chapter 161 & 322 of the Statutes of 1979 and 1982, respectively, and

WHEREAS, the COG has the authority to review claims and allocate such funds in accordance with the Transportation Development Act of 1971 and Chapter 3 of Title 21 of the California Code of Regulations; and

WHEREAS, the City of Sanger has submitted a Transportation Funding Claim for its 2007-08 fiscal year apportionment.

NOW, THEREFORE, BE IT RESOLVED, that the Transportation Funding Claim submitted by the City of Sanger has been reviewed and the following findings are hereby made:

1. The Funding Claim submitted by the City of Sanger has been reviewed and found to be in conformance with the adopted Regional Transportation Plan.
2. That the COG finds that priority consideration has been given to claims to offset reductions in federal operating assistance and the unanticipated increase in the cost of fuel, to enhance existing public transportation services, and to meet high-priority regional, countywide, or areawide public transportation needs.
3. On June 28, 2007 the COG Board approved Resolution 2007-25 which found that public transportation needs within the City of Sanger and its sphere of influence will be reasonably met in 2007-08.

BE IT FURTHER RESOLVED, that the COG hereby approves the Transportation Funding Claim submitted by the City of Sanger and allocates monies from the Transportation Development Act in accordance with the attached claim which is hereby made a part of this resolution.

BE IT FURTHER RESOLVED, that the Auditor-Controller of the County of Fresno cause the approved claim to be paid in the manner and time directed by the Executive Director of the Council of Fresno County Governments.

Existing law authorizes certain state and local entities to secure and expend federal funds appropriated under the federal Highway Safety Act of 1973 for a number of programs relating to projects for the improvement of highway safety and the reduction of traffic congestion. This bill would instead authorize those state and local entities to secure and expend federal funds appropriated under the federal act known as SAFETEA-LU for programs relating to highway safety improvements that can reduce the number of fatal and serious injury accidents, as specified. The bill would declare the Legislature's intent that these federal funds be allocated in approximately equal amounts between state highways and local roads. The fees imposed and the moneys received by the service authority from the Abandoned Vehicle Trust Fund, a continuously appropriated fund, can only be used for the abatement, removal, and disposal of abandoned, wrecked, dismantled, or inoperative vehicles from private or public property. The service authority is authorized to adopt an ordinance establishing procedures for the abatement, removal, and disposal, as a public nuisance, of an abandoned, wrecked, dismantled, or inoperative vehicle and for the recovery of costs. This bill would authorize the service authority to use the fees imposed, as well as the moneys received from the Abandoned Vehicle Trust Fund for the costs associated with the enforcement of the ordinance adopted by the service authority. The service authority would be prohibited from offsetting the costs of vehicles towed under authorities other than the ordinance adopted by the service authority or when the costs are recovered by another provision of law. The service authority would be authorized to carry forward unexpended money in a fiscal year to the following fiscal year for the abandoned vehicle abatement program upon agreement with its member agencies. Existing law continuously appropriates the money in the Bicycle Transportation Account. This bill would instead require a monthly transfer of \$1,000,000 to the Bicycle Transportation Account from the Highway Users Tax Account, until January 31, 2012, and would thereafter reduce the monthly transfer to \$416,667. The Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, approved by the voters as Proposition 1B in the November 2006 general election, establishes the Highway Safety, Traffic Reduction, Air Quality, and Port Security Fund of 2006 in the State Treasury. Existing law requires specified moneys in the fund to be deposited in the California Ports Infrastructure, Security, and Air Quality Improvement Account to be available upon appropriation by the Legislature, for certain purposes. The act requires \$1,000,000,000 from the account to be made available to the State Air Resources Board for emission reductions, not otherwise required by law or regulation, from activities related to the movement of freight along California's trade corridors. The act requires \$2,000,000,000 to be transferred to the Trade Corridors Improvement Fund for infrastructure improvements along designated trade corridors. This bill would provide that projects eligible for funding from the Trade Corridors Improvement Fund would receive priority if they meet specified requirements. Under the California Constitution, whenever the Legislature or a state agency mandates a new program or higher level of service on any local government, including school districts, the state is required to provide a subvention of funds to reimburse the local government, with specified exceptions. Existing law establishes a procedure for local governmental agencies to file claims for reimbursement of these costs with the Commission on State Mandates. Under this procedure, the commission is required to hear and decide upon each claim for reimbursement and then determine the amount to be subvented for reimbursement, which the Controller shall pay to eligible claimants. The procedure also provides that a reimbursement claim for actual costs filed by a local agency or school district is subject to an audit by the Controller no later than 3 years after the date that the actual reimbursement claim is filed or last amended, whichever is later, but that, if no funds are appropriated or no payment is made to a claimant for the fiscal year for which the claim is filed, the audit shall be commenced no later than 3 years from the date of the initial payment of the claim. This bill would require the commission to issue a decision upon a local agency or school district test claim no later than 36 months after the date the claim is filed if the claim was filed on or after January 1, 2009, and no later than December 31, 2013. It would require the commission to include in a specified semiannual report to the Legislature a list of each test claim for which a decision was not issued within the 36-month period and an explanation of why it was not met. Existing law provides for the calculation of unemployment benefits. This bill would provide that an individual who has been laid off from his or her most recent work , or is unable to commence work at his or her regular or seasonal workplace , as a direct result of the freezing weather conditions in January 2007, as specified, shall be considered "unemployed" for the purpose of eligibility for unemployment compensation benefits if the individual worked or was scheduled to commence work in a county specifically designated by the Governor as being in a state of emergency, as provided, and for any week of less than full-time work, the wages payable to the individual for that week, when reduced by \$200, do not equal or exceed the individual's unemployment weekly benefit amount. This bill would require the payment of unemployment compensation to an individual under these circumstances in a weekly amount equal to his or her weekly benefit amount less the amount of wages in excess of \$200 payable for that week, with benefits subject to the regular one-week waiting period. Unmet Transit Needs Survey for the South Sierra Unincorporated Communities of Dunlap, Miramonte, Pinehurst, & Squaw Valley August 2007

The Fresno County Rural Transit Agency (FCRTA) is currently assisting the Council of Fresno County Governments (COFCG) in its efforts to determine if there are any "unmet transit needs" that may be reasonable to meet. Annually, the COFCG's Social Service Transportation Advisory Council (SSTAC) attempts to seek comments from the public regarding the existing general public and social services transportation services provided throughout Fresno County.

Over the years we have received requests from individuals who believe that the South Sierra Communities of Dunlap, Miramonte, Pinehurst, and Squaw Valley may be able to support its own transit services. The previous Volunteer Driver Program for local riders, that was coordinated through the Squaw Valley Library, was discontinued.

Some feel that you may need transit service within your Communities. Such service could be available on a Dial-A-Ride basis during a weekday period such as 8:00am to 12:00noon and 1:00pm to 5:00pm. Fares would be \$.75 per one-way trip for the general public and \$.50 for the elderly (60+), disabled, and children (0-18) when with an adult. We would need to average six (6) passengers per service hour. During an eight (8) hour service period we would need to average forty-eight (48) passenger trips per day.

Others feel that you may need transit service from your Community to Fresno. Such service could be done on a twenty-four (24) hour prior reservation basis. The passenger would call a toll free phone number and make a reservation indicating when they needed to be somewhere and when they would be finished to go home again. The dispatcher would coordinate the trip with other riders, to group the passengers. Hopefully an minimum of at least six (6) passenger would be willing to depart and return at approximately the same times. The dispatcher would call each passenger back with the final arrangements for the following day. The discounted fare for all passengers would be \$5.00 per round trip. We would need to average six (6) to ten (10) passenger per trip.

Monthly convenience passes would be available. In-Community - general public, \$30.00 per month; Elderly (60+), Disabled and Children (0-18) with and Adult, \$20.00 per month. To Fresno - all passengers, \$100.00 per month.

Community Service Representatives have requested that we conduct a specific "Unmet Transit Needs" Survey of those residents directly associated with Dunlap, Miramonte, Pinehurst, and Squaw Valley to document your "transit needs". There are eleven (11) questions that we would like you to carefully answer and return to us by August 24, 2007. Just fold the paper over, tape or staple it, and mail it back to us, the return postage is included. If you require a different accommodation in responding to this questionnaire, due to a limiting disability, please ask another person to write your responses for you.

To better access your transit needs, please respond to the following questions:

1. What is your home street address _____.
2. How do you currently travel "to" and "from" your home?
 ___personal-family automobile, truck, van; ___motorcycle; ___bicycle;
 ___walk; ___ride with someone else; ___no means of transportation;

3. Do you need transit services? ___no; ___yes; ___in Foothill
 Communities, ___to Fresno; ___other _____.
4. How often would you use transit? ___daily; ___times a week;
 ___only when needed.
5. Would you consider riding with someone else for your trips?
 ___no; ___yes.
6. Who at this address would use public transit?
 Number of Males: ___, their Ages _____;
 Number of Females: ___, their Ages _____.
7. Are any frail or disabled? ___no; ___yes. Would they require special
 attention, or assistance, in requesting or completing their transit
 trip? ___no; ___yes, ___a wheelchair, or other, please explain:
 _____.
8. Could you get to a community bus stop location on your own?
 ___no; ___yes. Or would you need to be picked-up at your home?
 ___no; ___yes.
9. What are your main transportation needs?
 ___work; ___medical / dental; ___shopping / errands; ___Community
 Center; ___Post Office; ___social / recreational; ___other _____.
10. Please tell us where you need to go, when you need to come
 back, how often you need to go there, and how much you would
 be willing to pay for the round trip. _____.
11. Would you be interested in "carpooling"? Would you be willing
 to transport others who may wish to ride with you?
 Or would you like to ride with someone else? The specific
 arrangements can be worked out between participating people.
 Valleyrides.com can help by providing you with a "match list" of
 others in your area who may want to go to similar locations, at
 similar times. ___no; ___yes, call 559-441-RIDE(7433).

Thank you for taking the time to respond to this Survey.

When you are finished just fold the paper over, tape or staple it, and mail it back to us, the return postage is included.

The results will be tabulated to determine if sufficient interest is evident to support a South Sierra Transit Demonstration Project in the future.

Las Necesidades Inapropiadas del Tránsito Inspeccionan para las Comunidades no Incorporada de Dunlap, Miramontes, Pinehurst y Squaw Valley - Agosto 2007

El Condado de Fresno la Agencia Rural de Tránsito ayuda actualmente el Concilio de Gobiernos de Condado de Fresno (COFCG) en sus esfuerzos de determinar si hay "las necesidades inapropiada de tránsito" que podran ser rasonables de encontrar. Anualmente, el Transporte Social de COFCG serve las tentativas Consultores del Concilio para buscar los comentarios del público con respecto al existire público general y servicios sociales de transporte de servicios proporcionaron a traves de Condado de Fresno.

Sobre los años nosotros hemos recibido los pedidos de individuos que creen que la Comunidades de Dunlap, Miramonte, Pinehurst y Squaw Valley pondran ser capaces de sostener sus propios servicios de tránsito. El programa previo del Conductor del Voluntario para jinetes locales, eso se coordino por la Biblioteca de Squaw Valley fue discontinuado.

Algunos sienten que usted puede necesitar el servicio de tránsito de su comunidades para Fresno. Tal servicio podria estar disponible en un Esfera una base del Paseo durante un periodo del dia laborable tal como 8:00 de la mañana a 12:00 mediodia y 1:00 de la tarde a las 5:00 de la tarde. Los precios de billete seran \$.75 por de un solo sentido viaje para el publico general y \$.50 para ancianos (60+), incapacitado, y los ninos (0-18) cuando acompañado por un adulto. Necesitaríamos promediar seis (6) pasajeros por hora de servicio. Durante ocho (8) horas atiende al periodo que necesitaríamos para promediar cuarenta y ocho (48) viajes de pasajero por dia.

Otros sienten que usted puede necesitar el servicio del tránsito de la Comunidad a Fresno. Tal servicio se podria hacer veinticuatro horas la base previa de la reservacion. El pasajero llamar a un peaje liberta el numero de telefon y hace una reservacion que indica cuando ellos necesitaran estar en algún lugar y cuando ellos seran terminados para ir a casa otra vez. El expedidor coordinaria el viaje con otros jinetes, para agrupar a los pasajeros. Optimistamente un minimo de por los menos seis (6) pasajeros estarian dispuestos a partir y volver aproximadamente los mismos tiempos. El expedidor llamaria cada espalda de pasajero con los arreglos finales para el dia siguiente. El precio del billete descontado para todos pasajero seria \$5.00 por viaje de ida y vuelta. Necesitaríamos promediar seis a diez pasajeros por viaje.

Los paso mensuales serian disponibles. En la comunidad público general \$30.00 por mes; ancianos (60+), incapacitados y ninos (as) (0-18) con un Adulto \$20.00 por mes. Para Fresno todos los pasajeros \$100.00 por mes.

Los Representantes del trabajo comunitario han solicitado que realizamos una Inspeccion Inapropiada especifica de Necesidades de Tránsito de esos residentes directamente asociado con Dunlap, Miramonte, Pinehurst, y Squaw Valley para documentar sus necesidades de tránsito. En la espalda de este papel hay once preguntas que queremos que usted conteste con cuidado y mandarlo para el 24 de agosto de 2007. Doble apenas el papel sobre, graba o lo cose con una grapa y envia lo apoya a nosotros, el franqueo del regreso se incluye.
