1. Welcome and Overview – Tony Boren

Tony Boren, Executive Director opened the meeting and asked everyone to introduce themselves. Mr. Boren briefly explained the purpose of the Workshop.

2. Review and Discuss Fresno COG JPA and By Laws – Janelle Kelley, Legal Counsel

Ms. Kelley briefly reviewed the Joint Powers Agreement (JPA) duties and authority. There was discussion about types of items that should be brought before the Board and actions taken. Ms. Kelley explained some of the problems with stepping outside the authority of the Board. There is language in the JPA that the Board may discuss items that are not within authority but the action should be taken by each individual council.

Following discussion, it was suggested that the Public Presentations be moved to the end of the agenda following business so that the Board can address items that are within their jurisdiction. It was also suggested that any items that were not within the parameters be addressed at that time. Members suggested moving the Fresno County Rural Transit Agency meeting to be held before the Policy Board rather than following the Board so that the Board would not have to adjourn and then reconvene to talk about other matters. It was also determined that no political candidates will be allowed to address the Board.
