TO: CALCOG EXECUTIVE DIRECTORS, LEGISLATIVE LIAISONS, AND
INTERESTED PARTIES

FROM: JERRY JEFFE

As you know, CALCOG was the original sponsor of SB 1445. But in the waning days of the legislative session, ABAG became the sponsor of the bill and revised the language. The bill would have provided a permanent source of funding for implementation of SB 375.

The bill had been sitting in Assembly Appropriations for the past couple of weeks. It remained there all day yesterday. Since the Legislature adjourned at 12 midnight (really 12:25 p.m.), the bill is automatically dead.
