Summary: Would establish the High-Speed Rail Local Master Plan Pilot Program, applicable to specified cities and counties, and would authorize each of those jurisdictions to prepare and adopt, by ordinance, a master plan for development in the areas surrounding the high-speed rail system in each jurisdiction. The bill would authorize the high-speed rail master plan to include incentives for encouraging investment and coherent growth in the areas surrounding the high-speed rail system in each participating jurisdiction. The bill would also authorize the participating jurisdictions to collaborate with the State Air Resources Board to develop incentives to encourage development while concurrently reducing greenhouse gas emissions, consistent with or pursuant to the California Global Warming Solutions Act of 2006 or another specified provision of law requiring the board to provide greenhouse gas emission reduction targets for the preparation of regional sustainable communities strategies. The bill would authorize the master plan to exceed the requirements of the jurisdiction's general plan or the applicable regional sustainable communities strategy with respect to fostering sustainable communities around the high-speed rail system. This bill contains other related provisions and other current laws.

Summary: Would revise and recast these provisions by repealing and reenacting the California High-Speed Train Act. The bill would continue the High-Speed Rail Authority in existence to make policy decisions relative to implementation of high-speed rail consistent with Proposition 1A. The bill would create the Department of High-Speed Trains within the Business, Transportation and Housing Agency, which would implement those policies. The bill would transfer certain of the current powers and responsibilities of the authority to the department and would specify additional powers and duties of the authority and department relative to implementation of the high-speed rail project, including the annual submission of a 6-year high-speed train capital improvement program and progress report to the Legislature. The director of the department would be appointed by the Governor, who would serve at the pleasure of the authority, and the Governor would be authorized to appoint up to 10 officers of the department who would be exempt from civil service and serve at the pleasure of the director. The bill would provide for acquisition and disposition by the department of rights-of-way for the high-speed rail project. The bill would enact other related provisions.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Would require the Office of Planning and Research, in consultation with specified entities, to prepare and adopt guidelines that would, among other things, establish the percentage reduction in the projected trip generation and vehicle miles traveled for a project as compared to the average for trip generation and vehicle miles traveled for that project type that would assist a region in meeting the greenhouse gas emission reduction targets established by the State Air Resources Board for the automobile and light truck sector for that region, and develop a list of mitigation measures that a project may incorporate to reduce the project's projected trip generation and vehicle miles traveled. The bill would provide that a project meeting or exceeding the percentage reduction in trip generation and vehicle miles traveled or a project that incorporates the listed mitigation measures sufficient to allow the project to meet the percentage reduction would not need to consider the transportation-related impact of the project in environmental documents prepared pursuant to CEQA. Because a lead agency would be required to determine whether a project would meet the percentage reduction established by the guidelines, this bill would impose a state-mandated local program. This bill contains other related provisions and other current laws.

Position

Notes 1: Identical version of bill vetoed . Last year an identical bill, SB 1348 (Steinberg), unanimously passed this committee and both houses of the Legislature. Governor Schwarzenegger vetoed the bill. In his veto message he wrote, "This bill is unnecessary as it establishes a formal process which is very similar to the process already used by the CTC."

SB 325

(Rubio D) Central California Railroad Authority.

Introduced: 2/14/2011

Last Amend: 4/26/2011

Status: 4/29/2011-Set for hearing May 9.

Location: 4/26/2011-S. APPR.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Would enact the Central California Railroad Authority Act to create the Central California Railroad Authority as an alternative for ensuring short-line railroad service in the Counties of Kern, Kings, Tulare, Fresno, and Merced. The bill would require the authority to be governed by a board of directors who would be appointed by the regional transportation planning agencies of the Counties of Kern, Kings, Tulare, Fresno, and Merced, thereby imposing a state-mandated local program. The bill would authorize the counties of Madera, Stanislaus, and San Joaquin to elect to join the authority. The bill would require the authority to conduct its first meeting not later than 120 days after abandonment or discontinuance of service on, or the bankruptcy or sale of, the short-line railroads in the member counties if the member regional transportation agencies have formed a joint exercise of powers agreement to implement and manage the authority . The bill would authorize the authority to acquire and operate railroads or select a franchisee to operate a rail transportation system, to prepare a plan for acquisition and operation of specified railroad lines, and establish criteria for the award of a franchise for the acquisition, financing, and operation of the railroad system. The bill would further authorize the authority to issue revenue bonds pursuant to the Revenue Bond Law of 1941. The bill would provide that the state is not liable for any contract, debt, or obligation of the authority. The bill would prohibit the authority from being a claimant for Transportation Development Act funds or from receiving funds from the Public Transportation Account. The bill would also state the intent of the Legislature in enacting the authority. This bill contains other related provisions and other current laws.
