TO WHOM IT MAY CONCERN:

It has come to my attention that Toni Pacini has applied to serve as a member of the Measure C Oversight Committee. I have had the opportunity to work with Ms. Pacini both on professional and non-profit ventures for the past three years. Please accept this personal recommendation of Ms. Pacini to serve on the Committee.

Ms. Pacini would be a valuable asset to the Committee. First, I have always found her to be thoughtful and open-minded. She considers all sides of issues and can articulate her thoughts and concerns without confrontation. Second, she has lived in our area for only three years, but she has become very active in a short period of time. She will not only represent the east side of Fresno well as a resident of Sanger, but she brings her experiences and knowledge from more urban areas of the State and the Country to the position.

Fresno County would be well-served to have Ms. Pacini on the Committee and I encourage you to consider her application seriously. Should you have any further questions of me, please don't hesitate to call me.

Sincerely,

Dear Selection Committee;

I would like to strongly recommend Toni Pacini for the Measure C Citizen Oversight Committee. She possesses all of the attributes of an excellent committee member. Toni is intelligent, hard working, responsible, ethical and works well with individuals or is a team player in a group setting. Toni is an excellent writer and is also very articulate and possesses good organization skills. Approximately two years ago, Toni set up our Open Mic program at the Sanger Library which meets on the second Tuesday of each month. Toni retains a list of participating writers and reminds them of the event by calling all of the previous participants each month. She organizes and hosts the program. She introduces each writer during the event and keeps the event fun and entertaining while encouraging the participant's creativity. I can personally vouch for Toni's integrity and dedication to the community of Sanger. In summation, I believe that Toni Pacini would make an outstanding addition to the Measure C Citizen Oversight Committee.

Sincerely,

To Whom It May Concern:

I am writing this letter in support of Toni Pacini for the Measure C Oversight Committee. I have known Ms. Pacini for several years, having worked with her in the Sanger Concerned Citizens group. Throughout that time, Ms. Pacini exemplified leadership and organization by routinely taking on administrative duties for the group, such as developing agendas, serving as moderator, and regularly sending out meeting reminders.

For several years, Ms. Pacini has devoted many hours to the group and its activities, demonstrating that she is conscientious, diligent and hard working.

Moreover, Ms. Pacini is a person of the highest integrity and conviction. She cares about the community and would work very diligently—as she has with the Concerned Citizen Group—to make sure that processes and procedures are followed and that residents are served adequately.

Ms. Pacini has also demonstrated that she is articulate, both verbally and in written form. Her ability to communicate is complemented by the fact that she is a critical thinker who asks questions and formulates opinions and makes decisions after careful deliberation.

It is without reservation that I recommend Ms. Pacini to serve on the Measure C Oversight Committee. She would be a great asset in assisting the Committee perform its duties to the highest standards.

Dear Selection Committee,

I would like to take this opportunity to recommend my associate and friend, Toni Pacini, for a position on the Measure C Citizens Oversight Committee. I have known her for approximately 3 years. Toni has a healthy ability to communicate and an eye and ear for detail. Before making an important decision on an item, Toni will research all aspects of it, and ask questions if needed. I cannot think of a person who has as much passion for our valley as Ms. Pacini does. I believe that she possesses all the vital qualities needed to help guide our valley toward healthy smart growth and development.

Toni believes in oversight and transparency at all levels of governance. She is an important voice in our community and the valley. I do not think you can find a more appropriate person for the Measure C Oversight Committee.

To: Measure C Citizens' Oversight Committee Selection Committee

From: Karen Steinhauer

Greetings:

It is my pleasure to write this letter of recommendation for Toni Pacini. I believe Toni Pacini to be qualified to participate in any process related to the important and difficult tasks presented to her as a member of the Measure C Citizens' Oversight Committee.

Toni has been involved in activities that benefit our City of Sanger and its surroundings in Fresno County. Her accomplishments are varied, from initiating a writing, reading and listening group "Open Mic" at the local library to organizing road side clean up of a road leading into our city. Ms. Pacini is efficient in working through the process of seeking resolutions to problems that challenge our city and surrounding communities. Whenever I have had the opportunity see her in action, it has always involved the "bridging of people" from within and from outside the community. Toni always compliments and encourages participants for making an effort at every event.

Many people have benefited from Toni Pacini's initiative and invitation to participate. She has demonstrated self motivation, an untiring spirit, optimism, and has been an inspiration as she continues to look forward to a bright future for Fresno County. She has volunteered often and always with a dedication to meet her goal. Besides having a talent for writing, more importantly, I believe Toni Pacini has not just the ability, but the desire to listen and understand others' points of view on issues. She has an unselfish quality that allows her to set aside her own preferences in order to consider the ideas and points of view of others. She can speak for herself and stand up for others when appropriate.

I believe that Toni Pacini will carry out her charge of duties with a fair perspective, an optimistic attitude, and the willingness to work with others for the common good of the City of Sanger, District 4, and Fresno County.

Most sincerely,

Karen C. Steinhauer

ITEM A - CO. MAYORS SELECT

August 18, 2009

Dear Selection Committee for the Measure C Citizens' Oversight Committee,

The city of Sanger, as in any small city, has so many unique struggles with which to contend. If you are lucky as a citizen of a small city, you have advocates in your local government that not only represent your best interests, but are approachable and vigilant. We have had the pleasure of knowing Toni Pacini for the past few years as an activist, neighbor, and friend. Toni has a talent for thinking critically about an issue that troubles her community, anticipating outcomes and potential barriers, and achieving change.

Toni's vigilant, thoughtful approach to problems has resulted in chemical dumping grounds by the railroad tracks being removed, a neighborhood watch task-force being developed, community education about safety and available resources has been effectively distributed, and the removal of graffiti on public property. Toni is a hard working, community-minded woman, who takes special interest in developing her friends and neighbors.

Whether she's facilitating the Sanger Open-Mic Group, or encouraging people to attend their local government meetings, Toni is always there, cheering us on. There is no question that Toni would be a valuable addition to the Measure C Citizens' Oversight Committee. We would count ourselves lucky to have her serve our community and the Measure C Oversight Committee can be sure that Toni Pacini will carefully consider all information and in the end choose what is best for Fresno County and our communities as a whole.

Thank you for your time and careful consideration.

Dear Selection Committee Members:

I write on behalf of our organization to express our support for the nomination of Elizabeth Jonasson to the Measure C Citizen Oversight Committee as a community organization member.

As a Campaign and Outreach Associate in our Fresno office, Elizabeth's primary responsibilities are to carry out organizing, public education and media efforts on regional and statewide clean air campaigns in the San Joaquin Valley.

We strongly support Elizabeth's participation on the Measure C Committee, considering the links between transportation and air quality.

Please don't hesitate to contact me should you have any questions.

Sincerely,
