

FRESNO COG MONTHLY LEGISLATIVE REPORT September 2011

FEDERAL

H.R. 2887: Surface and Air Transportation Programs Extension Act of 2011 (SAFETEA-LU)

The last version of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), H.R. 662, was set to expire on September 30, 2011. To avoid a default in transportation programs and projects, this bill, H.R. 2887, was introduced to provide an extension of the programs for 6 months. The overall extension passed favorably in Congress and was signed by President Obama on September 20, 2011. The bill extends federal fuel taxes and surface transportation programs at current levels through 31 March. The federal fuel tax is 18.4 cents per gallon of gasoline and 24.4 cents per gallon of diesel and is the main revenue source for the highway trust fund, which pays for about \$35 billion a year in transportation work. SAFETEA-LU is currently on its eighth extension

Reauthorization of the Transportation Bill

The House and Senate are proposing drastically different versions of the legislation. The House Transportation Committee Chairman John Mica (R-FL) released a 22-page draft proposal outlining a six-year, \$230 billion bill, which would spend about \$35 billion per year on transportation. This bill would cut current programs by 34 percent based on the outlines of the House budget agreement, limit transportation spending to available trust fund dollars, and consolidate many of the current transportation programs into one flexible grant for states. The draft bill also includes a series of regulatory streamlining proposals and calls for expanding federal transportation credit programs. No official legislative language has been released, nor any time frame confirmed for consideration by the Committee or the full House.

The Senate's Environment and Public Works Committee released a two-year \$109 billion bill that would spend about \$54 billion per year on roads and highways. The two-year authorization proposal calls for maintaining the program at current levels and greatly expanding federal credit programs. The bill has bipartisan support from Democratic and Republican committee leaders but an obstacle to the proposal moving forward is that it falls \$12 billion short of the revenues needed to meet the proposed funding levels, the source of which has not been identified, to reach the proposal's authorization levels.

Despite their differences, both the House and Senate proposals are far smaller than the \$556 billion Obama called for investing in transportation at the beginning of the year

Debt Ceiling

The House, Senate, and the President reached an agreement that raises the nation's debt-ceiling and puts in place new mechanisms to control spending and reduce the federal deficit. The Budget Control Act of 2011, P.L. 112-25, became law on Tuesday, August 2.

With fiscal year 2011 ending September 30, Congress must complete the fiscal year 2012 appropriations process with a new spending limit. The Budget Control Act set a spending limit that is \$24 billion higher than the cap the House was using to prepare its spending bills, and the Senate is likely to push for funding programs at the higher level.

In addition, the law establishes a 12-member joint deficit reduction committee "*super committee*" that will be tasked with finding an additional \$1.5 trillion in spending cuts and to send their report to Congress for a December vote. If Congress fails to approve the cuts, automatic spending cuts totaling \$1.2 trillion in discretionary and mandatory spending cuts will take effect.

The American Jobs Act

On September 8, 2011, President Obama proposed a new \$447 billion economic stimulus package - "*The American Jobs Act*" - with significant provisions for infrastructure and local government. The President said that Congress should pay for his economic plan by boosting the amount of deficit savings that the Super Committee, created last month by the debt and deficit deal, should derive. The President also said he would provide specifics of the plan to the Congress on September 19. Enclosed is an overview of the Jobs Act for your review. The main items in the plan include:

- (1) extension and increase in payroll tax break for workers (\$175 billion);
- (2) payroll tax cut for employers (\$65 billion);
- (3) aid to states to help prevent teacher/police layoffs (\$35 billion);
- (4) spending to modernize schools (\$30 billion); infrastructure spending (\$50 billion);
- (5) investments in vacant/foreclosed properties (\$15 billion);
- (6) summer jobs/worker training (\$5 billion);
- (7) National infrastructure bank (\$10 billion);
- (8) unemployment extension (\$49 billion); and tax credits for long-term unemployed (\$8 billion).

H.R. 658 – FAA Reauthorization and Reform Act of 2011 (Mica)

Terminates the Essential Air Service (EAS) Program on October 2013 in all states except Alaska and Hawaii. EAS provides federal subsidies to approximately 140 rural communities across the country that otherwise would not receive any scheduled air service. Bill includes other proposals. Passed the House April 1st. Senate's version increases spending for EAS. Apr 7, 2011, bill passed in the Senate and House with changes by Unanimous Consent. May 9, 2011: Senate action sent to the House. The bill will now proceed to a conference committee of senators and representatives to work out differences in the versions of the bill each chamber approved.

H.R. 760- San Joaquin Valley USDA Rural Definition Inclusion Act (Nunes)

Authorizes the Secretary of Agriculture to designate certain parts of the San Joaquin Valley as rural area for purposes of programs under the Consolidated Farm and Rural Development Act. Includes the counties of Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus and Tulare. Currently in House Committee. Introduced Feb. 17, 2011 and Referred to the House Committee on Agriculture.

H.R. 761- San Joaquin Valley Transportation Enhancement Act of 2011 (Nunes, McCarthy, Denham)

Allow federal funding provided to the State of California as a result of the American Recovery and Reinvestment Act of 2009 for the purpose of developing the high-speed rail service be used for a project or activity to improve or maintain California State Route 99. Bill includes other proposals. Bill is now in House Sub-Committee. Introduced on Feb. 17, 2011 and Referred to House Committee on Transportation and Infrastructure: Referred to the Subcommittee on Highways and Transit on Feb 18, 2011. Apr 18, 2011: House Committee on Transportation and Infrastructure: Referred to the Subcommittee on Highways and Transit.

H.R. 1585 – Funds in Lieu of Participating in Federal Program (Lankford)

Introduced March 15, 2011. This bill would allow States to elect to receive contributions to the Highway Trust Fund in lieu of participating in the Federal aid highway program or certain public transportation programs. As of April 18, 2011, it is in the House Committee on Transportation & Infrastructure: Referred to Subcommittee on Highways and Transit.

H.R. 1582 – Commonsense Ozone Regulations Act (McCarthy, Denham, Issa, Nunes)

Gives the San Joaquin Valley and the Los Angeles area a five-year pass from stricter limits on ground-level ozone – the main ingredient in smog. Would eliminate a \$29 million fine by eliminating EPA's one hour ozone standard, which was put in place in 1979 and vacated when a tougher eight-hour standard was issued. Apr 25, 2011: House Committee on Energy and Commerce: Referred to the Subcommittee on Energy and Power.

H.R. 1604 – Alleviate Extra Regulatory Burdens and Reduce Costs (Denham, Cardoza, Herger, McCarthy, Nunes)

Would streamline processes for federally funded construction projects in the Central Valley. Streamlining would eliminate the duplication of efforts in satisfying environmental review processes, allowing the federal requirements of the National Environmental Protection Act (NEPA) to be satisfied with the completion of the California Environmental Quality Act (CEQA). Last action: Currently in House Judiciary: Referred to the Subcommittee on Courts, Commercial and Administrative Law on July 11, 2011.

H.R. 2389 - Environmental Review Cooperation Act (Miller, co-sponsored by: Denham, Issa, Cardoza, Bilbray, Thompson, Rohrabacher, Calvert, and McCarthy).

Introduced on Jun 24, 2011: Referred to the House Committee on Transportation and Infrastructure. The bill would create a new pilot demonstration program whereby States and local governments could carry out the responsibilities of the Secretary of Transportation with respect to highway projects through implementation of State environmental laws instead of Federal laws. Referred to the Subcommittee on Highways and Transit on June 27, 2011

S. 198 & 199 – Redistribution of Unspent Earmarks Act of 2011 & Use it or Lose it Act of 2011 (Casey)

Return and redistribute funds made available from the Highway Trust Fund through an earmark for fiscal year 2008 or preceding fiscal year that remain unobligated as of the date of enactment to the State in which earmarked funds were directed to be used. NOTE: S. 199 would set a timeframe for all future Highway Trust Fund earmarks to be obligated within 3 years. If not obligated within the time frame, funds would be returned to the State with jurisdiction over the original earmark. Apr 19, 2011: House Natural Resources: Referred to the Subcommittee on Water and Power.

ITEM IV B 1

Fresno Council of Governments Monthly State Legislative Report

9/21/2011

[AB 16](#) **(Perea D) High-Speed Rail Authority.**

Introduced: 12/6/2010

Status: 9/9/2011-Ordered to inactive file at the request of Senator Rubio.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Current law authorizes employees of public schools to form, join, and participate in the activities of an employee organization for the purpose of representation on matters of employer-employee relations, including terms and conditions of employment. This bill would authorize family child care providers, as defined, to choose whether to be represented by a single provider organization, as defined, that would be designated pursuant to a specified petition and election process overseen by the Public Employment Relations Board or a neutral 3rd party designated by the board. This bill contains other related provisions and other current laws.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Would repeal all of the provisions of the California High-Speed Rail Act. The bill would enact a new California High-Speed Rail Act . The bill would continue the High-Speed Rail Authority in existence with limited responsibilities and would place the authority within the Business, Transportation and Housing Agency . The 5 members of the authority appointed by the Governor would be subject to Senate confirmation, but current members could continue to serve the remainder of their terms. The bill would authorize the authority to appoint an executive director, and would provide for the Governor to appoint up to 6 additional individuals exempt from civil service as authority staff. The bill would require the authority to adopt policies directing the development and implementation of high-speed rail, prepare and adopt a business plan and high-speed train capital program, establish a peer review group, select alignments for the routes of the high-speed train system established by law, adopt criteria for the award of franchises, and set fares or establish guidelines for the setting of fares. The bill would enact other related provisions.

Dead	1st House	2nd House	Conf.	ITEM IV B 1
------	-----------	-----------	-------	-------------

Summary: The Subdivision Map Act vests the authority to regulate and control the design and improvement of subdivisions in the legislative body of a local agency, and sets forth procedures governing the local agency's processing, approval, conditional approval or disapproval, and filing of tentative, final, and parcel maps, and the modification thereof. The act generally requires a subdivider to file a tentative map or vesting tentative map with the local agency, as specified, and the local agency, in turn, to approve, conditionally approve, or disapprove the map within a specified time period. The act requires an approved tentative map or vesting tentative map to expire 24 months after its approval, or after an additional period of time prescribed by local ordinance, not to exceed 12 months. However, the act extends the expiration date of certain approved tentative maps and vesting tentative maps, as specified. This bill would extend by 24 months the expiration date of any approved tentative map or vesting tentative map that has not expired as of the effective date of this act and will expire prior to January 1, 2014. By adding to the procedures that local agency officials must follow, this bill would impose a state-mandated local program. This bill contains other related provisions and other current laws.

Position

Summary: Current law makes a person guilty of a misdemeanor if the person enters or remains upon any rail transit-related property, as defined, owned or operated by a county transportation commission or transportation authority without permission or whose entry, presence, or conduct upon the property interferes with, interrupts, or hinders the safe and efficient operation of the rail line or rail-related facility. This bill would instead make it a misdemeanor if a person enters or remains upon

any transit-related property, as defined, that is used to provide public transportation by rail or passenger bus, without permission or whose entry, presence, or conduct upon the property interferes with, interrupts, or hinders the safe and efficient operation of the railline or rail-related or transit-related facility. This bill contains other related provisions and other current laws.

Summary: Current law gives the Department of Transportation full possession and control of the state highway system. Current federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the participating states assume certain responsibilities for environmental review and clearance of transportation projects that would otherwise be the responsibility of the federal government. Current law requires the department to submit a report to the Legislature regarding state and federal environmental review. Current law requires the report to be submitted no later than January 1, 2009, and again, no later than January 1, 2011. This bill would, instead, require the report to be submitted no later than January 1, 2016. This bill contains other related provisions and other current laws.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Current law generally provides for programming and allocation of state and federal transportation capital improvement program funds pursuant to the state transportation improvement program process administered by the California Transportation Commission. This bill would enact similar provisions authorizing the department, until September 30, 2015, to make loans from the State Highway Account of other specified federal transportation funds to fund bond-funded projects pursuant to the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, if the department has determined the loans will not impact the funding of other programs or projects, as specified, and only under circumstances in which federal funds might otherwise be lost, as specified. The bill would appropriate those federal transportation funds in the State Highway Account for these purposes and would require those funds to be obligated to fund the bond-funded projects, as specified. The bill would require the loans to be repaid to the State Highway Account within 3 years from the proceeds of bonds sold pursuant to the bond act and would provide for the appropriation of those repaid funds to the department for use on projects in the state highway operation and protection program or the local assistance program, as specified. The bill would require the department to report to the Joint Legislative Budget Committee each year that federal transportation funds are loaned pursuant to these provisions. This bill contains other current laws.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Current law continuously appropriates the amounts specified in the annual Budget Act as having been deposited in the State Highway Account from federal transportation funds, and pledged by the California Transportation Commission, to the Treasurer for the purposes of issuing federal highway grant anticipation notes, commonly known as GARVEE bonds, to fund transportation projects selected by the commission. This bill would provide that an "eligible project" may include projects programmed by a regional transportation planning agency using its share of apportionments of federal regional surface transportation program funds or congestion mitigation and air quality funds, as specified. The bill would authorize no more than 50% of bonding capacity of GARVEE bonds from being made available for these projects and would require the commission to require a regional transportation planning agency to commit to repaying the state for debt service if that agency's share of federal regional surface transportation program funds or federal congestion mitigation and air quality funds is insufficient to repay the GARVEE bonds or if a portion of the project costs is ineligible for federal funding. The bill would, for such a repayment by a regional transportation planning agency, authorize the commission to amend into the State Transportation Improvement Program some or all of the funds necessary for the repayment to be counted against the county share of State Transportation Improvement Program funds for the county in which the project is located. By expanding the types of projects for which GARVEE bonds may be used, the bill would make an appropriation.

	1st House				2nd House							

Summary: Current law, the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, authorizes the issuance of general obligation bonds for various transportation purposes.

Current law requires that \$1,000,000,000 of those funds be deposited in the Transit System Safety, Security, and Disaster Response Account, administered by the California Emergency Management Agency (Cal EMA), for capital projects that provide increased protection against a security and safety threat, and for capital expenditures to increase the capacity of transit operators to develop disaster response transportation systems, as specified. Current law requires 25% of the available funds to be allocated to certain regional public waterborne transit agencies. Current law requires entities receiving funds from the account to expend those funds within 3 fiscal years of the fiscal year in which the funds were allocated and requires that funds remaining unexpended after those 3 years revert to Cal EMA for reallocation in subsequent fiscal years. This bill would declare that it is to take effect immediately as an urgency statute. This bill contains other current laws.

Notes 1:

SB 46 (Correa D) Public officials: compensation disclosure.

Introduced: 12/9/2010

Last Amend: 6/2/2011

Status: 8/22/2011-In Assembly. Read first time. Held at Desk.

Location: 8/22/2011-A. DESK

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Would, commencing on January 1, 2013, and continuing until January 1, 2019, require every designated employee and other person, except a candidate for public office, who is required to file a statement of economic interests to include, as a part of that filing, a compensation disclosure form that provides compensation information for the preceding calendar year, as specified. This bill contains other related provisions and other current laws.

Introduced: 1/10/2011**Last Amend:** 3/15/2011**Status:** 7/5/2011-Reconsideration granted. (Page 2185.) Ordered to inactive file on request of Assembly Member Allen.**Location:** 7/5/2011-A. INACTIVE FILE

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: The Community Redevelopment Law authorizes the establishment of redevelopment agencies in communities to address the effects of blight, as defined. Current law provides that an action may be brought to review the validity of the adoption or amendment of a redevelopment plan by an agency, to review the validity of agency findings or determinations, and other agency actions. This bill would revise the provisions of law authorizing an action to be brought against the agency to determine or review the validity of specified agency actions. This bill contains other related provisions and other current laws.

(Committee on Budget and Fiscal Review) Transportation.

Introduced: 1/10/2011**Last Amend:** 3/14/2011**Status:** 3/14/2011-From committee with author's amendments. Read second time and amended. Re-referred to Com. on BUDGET.**Location:** 3/14/2011-A. BUDGET

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: In fiscal years 2010-11 and 2011-12, would require the Controller to transfer specified amounts of revenues deposited in the State Highway Account from vehicle weight fees to the Transportation Debt Service Fund to be used for reimbursement of the General Fund for payment of current general obligation bond debt service for specified voter-approved transportation bonds, in lieu of the previously authorized gasoline excise tax revenues and Public Transportation Account revenues. In subsequent years, the bill would require all vehicle weight fee revenues to be transferred for this purpose. The bill would make appropriations in this regard. The bill would require the Department of Finance to notify the Controller of the amount of debt service relating to expenditures for eligible mass transit guideway projects that may be paid from revenues restricted by Article XIX of the California Constitution. This bill contains other related provisions and other current laws.

(Steinberg D) Agricultural labor relations.

Introduced: 1/27/2011**Last Amend:** 9/2/2011**Status:** 9/16/2011-Enrolled and presented to the Governor at 3 p.m.**Location:** 9/16/2011-S. ENROLLED

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Would provide that if the Agricultural Labor Relations Board refuses to certify an election regarding certification of a labor organization because of employer misconduct that, in addition to affecting the results of the election, would render slight the chances of a new election reflecting the free and fair choice of employees, the labor union shall be certified as the exclusive bargaining representative for the bargaining unit. This bill contains other related provisions and other current laws.

Position

Notes 1: Identical version of bill vetoed . Last year an identical bill, SB 1348 (Steinberg), unanimously passed this committee and both houses of the Legislature. Governor Schwarzenegger vetoed the bill. In his veto message he wrote, "This bill is unnecessary as it establishes a formal process which is very similar to the process already used by the CTC."

(Rubio D) Central California Railroad Authority.

Introduced: 2/14/2011

Last Amend: 6/9/2011

ITEM IV B 1

Status: 9/6/2011-Chaptered by the Secretary of State, Chapter Number 234, Statutes of 2011

Location: 9/6/2011-S. CHAPTERED

2 Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Would enact the Central California Railroad Authority Act to create the Central California Railroad Authority as an alternative for ensuring short-line railroad service in the Counties of Kern, Kings, Tulare, Fresno, and Merced. The bill would require the authority to be governed by a board of directors who would be appointed by the council of governments or county association of governments within the Counties of Kern, Kings, Tulare, Fresno, and Merced, thereby imposing a state-mandated local program. The bill would authorize the Counties of Madera, Stanislaus, and San Joaquin to elect to join the authority. The bill would set forth the powers and duties of the authority, as specified. The bill would require the authority to conduct its first meeting not later than 120 days after abandonment or discontinuance of service on, or the bankruptcy or sale of, the short-line railroads in the member counties if the members have formed a joint exercise of powers agreement to implement and manage the authority. The bill would authorize the authority to acquire and operate railroads or select a franchisee to operate a rail transportation system, to prepare a plan for acquisition and operation of specified railroad lines, and establish criteria for the award of a franchise for the acquisition, financing, and operation of the railroad system. The bill would further authorize the authority to issue revenue bonds pursuant to the Revenue Bond Law of 1941. The bill would provide that the state is not liable for any contract, debt, or obligation of the authority. The bill would prohibit the authority from being a claimant for Transportation Development Act funds or from receiving funds from the Public Transportation Account. The bill would also state the intent of the Legislature in enacting the authority. This bill contains other related provisions and other current laws.

Notes 1:

SB 475

(Wright D) Infrastructure financing.

Introduced: 2/17/2011

Last Amend: 6/20/2011

Status: 7/8/2011-Failed Deadline pursuant to Rule 61(a)(10). (Last location was L. GOV. on 6/29/2011)

Location: 7/8/2011-A. 2 YEAR

2 Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Current law authorizes a governmental agency, as defined, to solicit proposals and enter into agreements with private entities for the design, construction, or reconstruction by, and lease to, private entities, for specified types of fee-producing infrastructure projects. Current law permits these agreements to provide for infrastructure facilities owned by a governmental entity, but constructed by a private entity, to be leased to or owned by that private entity for a period of up to 35 years, after which time the project would revert to the governmental agency. This bill would authorize a local governmental agency to enter into an agreement with a private entity for financing for specified types of revenue-generating infrastructure projects. The bill would require an agreement entered into under these provisions to include adequate financial resources to perform the agreement, and would additionally permit the agreements to lease or license to, or provide other permitted uses by, the private entity.

SB 582

(Yee D) Commute benefit policies.

Introduced: 2/17/2011

Last Amend: 7/7/2011

Status: 8/1/2011-Vetoed by the Governor

Location: 8/1/2011-S. VETOED

2 Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary: Beginning on January 1, 2013, subject to certain exceptions, this bill would authorize a metropolitan planning organization jointly with the local air quality management district or air pollution control district to adopt a commute benefit ordinance that requires covered employers operating within the common area of the organization and district with a specified number of covered employees to offer those employees certain commute benefits. The bill would require that the ordinance specify certain matters, including any consequences for noncompliance, and would impose a specified reporting requirement. The bill would provide for the 8 metropolitan planning organizations within the region served by a specified air district to adopt the ordinance only after the district first acts to adopt

the ordinance. The bill would exclude from its provisions an air district with a trip reduction regulation initially adopted prior to the federal Clean Air Act Amendments of 1990 as long as it continues to have a regulation that allows trip reduction as a method of compliance. The bill would make its provisions inoperative on January 1, 2017.
